

### Eight Mile Squibs.

Mrs. Goldie Leathers is on the sick list this week.

W. W. Brannon was down from Hardman the last of the week.

M. C. Fuqua, of Houlton, Oregon, was an Eightmile visitor last week.

Oscar Kithley and family spent Sunday with Mr. and Mrs. J. L. Swift.

The grain is all looking fine, but a good rain is needed to keep it booming.

Mrs. A. E. Anderson has been very poorly for several days but is now convalescent.

Johnny Frazier, our road supervisor, is very busy these days repairing damages to our county roads.

Vance Jones was among the bunch of Eightmile visitors to the Dry Fork Local last Saturday night, and says he had a fine time of his life.

Vance Jones and John Elder came out from Heppner, Sunday to witness the game of ball between Lone and Eight Mile. They spent a few hours at Vance's old home while here.

Dry Fork Local No. 61 treated their membership and a few invited guests to a very enjoyable entertainment and supper on April 22nd. About 100 persons were in attendance. Eleven new members were initiated, of whom eight were men and three ladies. The initiation work was ably conducted by Bro. Chas. Barlow. Dry Fork Local now has 51 members, all in good standing, and five applications to be disposed of at their next meeting. After the closed session, a splendid program was rendered. Short addresses were made by Brothers J. E. Barlow and Mose Ashbaugh, after which a splendid supper was served. With much credit to the ladies of the community, the lunch was much appreciated by all present, and all expressed themselves as having had a very enjoyable time. Now keep your eye on Dry Fork Local. They are wide awake people over there, and the other locals will have to whip up or they will be left in the dust.

E. M. C.

### School Notes.

By S. E. NOTSON, Co. Supt.

On the 20th inst. I visited the school in District No. 11. Here I found Miss Blanche Carter and eleven pupils working diligently. As I approached the school house, I noted that the flag was dis. layed. Another flag is kept inside the building, also. Everything indicated that the work was being well done. The pupils from each home have a cup from which to drink. These are filled from a cup from which no one drinks, thus avoiding any contamination of the water by dipping cups into the water pail. The cups and water-pail are disinfected by boiling once a week.

On the same day, I visited the school in Clark's Canyon. Miss Julia M. Forbes is the teacher. The pupils were busy closing up the work of the term, which will close this week. This school and the school in District No. 11 will join in a picnic tomorrow. Since my former visit the schoolhouse has been painted inside and outside. A convenient porch and an excellent cloak room have been built. Excellent window boards have been provided for all the windows, but the carpenter fitted some of the windows too closely to permit their being raised, which renders some of the boards useless. The walls have been tastefully decorated. On Arbor day several trees were planted by the teacher and pupils.

On the following day, I visited the school in District No. 32. Miss Bertha Morgan teaches this school. This school is small, but the teacher and pupils are enthusiastic in their work. I greatly enjoyed the story telling period. The school planted several nice trees on Arbor Day, and are planning to keep them alive during the vacation. Quite a number of improvements have been made in the equipment of this school recently, which indicates a good school spirit.

In District No. 3, the pupils, under the direction of the teacher, Miss Clara Reid, celebrated Arbor Day by cleaning up the school yard and planting some trees.

Not all the reports are in for last month, but several schools report one hundred per cent of attendance.

### ANSWER IT HONESTLY.

Are The Statements of Heppner Citizens Not More Reliable Than Those of Utter Strangers?

This is a vital question. It is fraught with interest to Heppner. It permits of only one answer. It cannot be evaded or ignored. A Heppner citizen speaks here, speaks for the welfare of Heppner. A citizen's statement is reliable. An utter stranger's is doubtful. Home proof is the best proof.

A. S. Barch, farmer, of Heppner, Oregon, says: "For about five years I had gravel and kidney trouble. There was much pain through my kidneys and at one time I was laid up for two weeks. The doctor's treatment helped me slightly but it was not until I tried Doan's Kidney Pills that I received any great benefit. This preparation has done so much for me that I gladly recommend it to other kidney sufferers."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

### At the Churches.

**M. E. Church, South.**

"The Linking of Shields" will be the subject of Rev. E. P. Warren's morning sermon; "Modern Missions" for the evening service. If you are a subject of missionary thought and prayer, come. If you desire improved conditions, material, moral for Morrow in Morrow to day, to morrow, come. Let us learn the secret of success.

**Christian Church**

Two great themes for the coming Lord's day. Morning, "The Indwelling Spirit." Evening at 8:00, "What about Christian Baptism?" Bible school at 9:45 a.m.; two C. E. meetings at 7:00 p.m.; prayer meeting Wednesday evening.

Our Constant Aim is to Keep for Sale only the Very Best the Market Affords.

### Gathering Friends

A LITTLE girl can always get somebody to play with by using the Bell Telephone. It is just as useful to her as it is to her elders.

There is no need to be lonesome with a telephone in the house because you can at least talk with your friends, even though they are far away.

Bell Service is universal.
