ble, C. A. Minor and W. O. Minor,
present.

presented and allowed as follows:

A petition and affidavit of Smith
Bros. for a liquor license was pre-
sented, and referred to proper com-
mittee, who reported that the same
be not granted, and their report
was promptly approved by the
council.

There was considerable discus-
sion of the dog tax question, and
it was finally decided that proper
notice would be served upon own-
ers of canines within the city to
come forward and deposit the prop-
er amount of tax, and tag their
dogs, otherwise they (the dogs)
may be caused to suffer the death
penalty.

Wednesday, May 10th, was de-
cided upon as the day for cleaning
up the streets and alleys of the
city, and all the citizens are re-
quested to have their rubbish raked
up and piled in convenient places
for the teamster to get at it. It is
not expected that the city teams
will cart off great loads from any
one place, and those having more
than can be conveniently hauled
in one load will have to provide for
its hauling themselves. Look for
notice elsewhere in these columns.

The following resolution was
presented:

On motion of Aiken, seconded
by C. A. Minor, it was ordered that
the City Attorney be instructed to
prepare a lease by the terms of
which the city shall lease to O. E.
Farnsworth that portion of upper
Main street of the city enclosed and
occupied by said O. E. Farnsworth,
for the term of five years in con-
sideration of the payment of \$1.00
by said O. E. Farnsworth; and it
was further ordered that the City
Attorney present said lease to said
O. E. Farnsworth for execution.

The City Attorney was also in-
structed to prepare and present for
execution, proper deeds conveying
to the city the lands included in
the extensions to Baltimore and
Center streets.

Thereupon the council adjourned.

Saved Many From Death.

W. L. Mock, of Mock, Ark., believes
he has saved many lives in his 25 years
of experience in the drug business.
"What I always like to do," he writes,
"is to recommend Dr. King's New Dis-
covery for weak, sore lungs, hard colds,
hoarseness, obstinate coughs, la grippe,
croup, asthma or other bronchial affec-
tion, for I feel sure that a number of my
neighbors are alive and well to-day be-
cause they took my advice to use it. I
honestly believe it's the best throat and
lung medicine that's made." Easy to
prove he's right. Get a trial bottle free
or regular 50c or \$1.00 bottle. Guar-
anteed by all druggists.

License to wed was granted on
last Saturday, by County Clerk
Hill to Charles A. Groshens and
Elizabeth Nicola.

Juniors Will Be IT To- Morrow Evening.

If persistent practice, backed up
by an abundance of class spirit,
count for anything, the play being
arranged, and at this time receiv-
ing the finishing touches by the
Junior class of the Heppner High
School, should be one of the star
attractions of the season.

A few months ago the prospect
for a class play this year looked
very gloomy, but with the arrival
of Miss Funk, new life was given
to the movement. Here was an op-
portunity for the young people to
do themselves proud, especially in
a musical way, and it was decided
that the first play should consist
mainly of music. Some were a
little skeptical on this point, as the
class is largely boys and they were
never known to behave any too
well in the music class, but they
were convinced they could sing a
little, at least, and after a few good
rehearsals it was found that they
could sing quite a bit. Now they
are convinced that they can sing
and do some other things of an
interesting nature, and all they
ask is that you come out and give
them a chance to show you what
they can do.

Besides a program of bright,
popular songs, a farce entitled, "A
String of Pearls" has been worked
up and will be presented for your
amusement and entertainment to-
morrow evening.

If you want to enjoy a pleasant
evening and at the same time pro-
mote a worthy cause, "put on your
old gray bonnet" and hike to Rob-
erts hall to-morrow. (Friday) eve-
ning, deposit your 35 cents at the
ticket window and then remain
silent—the Juniors will make the
fuss.

P. S. If you haven't purchased
a ticket you will have to hurry, for
they are selling fast.

Warning To Railroad Men.

E. S. Bacon, 11 East St., Bath, Me.,
sends out the warning to railroaders:
"A conductor on the railroad, my work
caused a chronic inflammation of the kid-
neys, and I was miserable and all played
out. A friend advised Foley Kidney
Pills and from the day I commenced
taking them, I began to regain my
strength. The inflammation cleared and
I am far better than I have been for
twenty years. The weakness and dizzy
spells are a thing of the past and I
highly recommend Foley Kidney Pills.
Sold by all druggists."

Uncle Sam After Facts.

Postmaster Smead informs the
Gazette that he has been ordered
to make the most comprehensive
count at the Heppner office ever
yet made. Will have to count and
classify all mail incoming and out-
going and give the average time
for handling each class and num-
ber of times same is handled. This
means that the delivery of the eve-
ning mail will be from one-half to
one hour later, as it will require
extra time to count and classify.
This count is for the entire month
of May, so if we don't get our mail
quite as soon as usual we know
where the trouble is and that it
cannot be avoided.

Foley Kidney Pills take hold of your
system and help you to rid yourself of
your dragging headache, dull headache,
nervousness, impaired eyesight, and of
all the ills resulting from the impaired
action of your kidneys and bladder.
Remember it is Foley Kidney Pills that
do this. Sold by all druggists.

ORDER OF OWLS TO ORGANIZE

**Expects to Start With
Charter Mem-
bership Of 200**

Organizer Brink, of the Order
of Owls, returned on Tuesday morn-
ing from Ione, where he has been
to interest a number of people to
take membership in his order. He
states that twenty people from that
city will join the new lodge here,
and this makes a total of 118 mem-
bers now on the charter.

The charter closes, May 14, and
the lodge will be instituted on the
26th of the month, at which
time a special will be run from
Ione, bringing up the people from
there that are going into the lodge,
and also bringing along the lodge
band.

The Order of Owls is a social and
benefit organization, and while
comparatively new, it is growing
rapidly and looks forward to be-
coming one of the strong fraternal
and benefit institutions of the
country.

Clean-up Day.

The City Council has appointed
the 10th day of May as a day for
cleaning up the town. All owners
of private residences who have
small accumulations of rubbish about
their premises may have same
hauled away free by placing such
rubbish on the streets or alleys
where it can be gotten by teams.
This does not apply to business
houses. These are urged to clean
up their places and dispose of their
own rubbish. J. A. McCraw,
Marshal.

A picnic in which the Clark
Canyon and Liberty schools joined,
was given in the J. J. Adkins
grove on Rhea Creek, last Friday.
Miss Julia Forbes, teacher of the
Clark's Canyon school and Miss
Blanche Carter, teacher of the Lib-
erty school, arranged the picnic,
and a jolly good time was had by
the pupils and others in attend-
ance. A game of baseball was
pulled off between the boys of the
two schools, and Clark's Canyon
won the laurels. These two schools
are now closed for the spring term.
