HEED THE WARNING Many Heppner People Have Done So.

When the kidneys are sick they give unmistakable warnings that should not be ignored. By examining the urine and treating the kidneys upon the first sign of disorder, many days of suffering may be saved. Sick kidneys expel a dark, ill-smelling urine, full of "brickdust" sediment and painful in passage. Sluggish kidneys cause a dull pain in the small of the back, headaches, dizzy spells, tired, languid feelings and frequent rheumatic twinges. Doan's Kidney Pills are for the kidneys only. If you suffer from any of the above symptoms you can use no better remedy.

Heppner people recommend Doan's Kidney Pills. Arthur Daly, Main St., Heppner, Oregon, says: "Several years ago my kidneys became disordered and the kidney secretions caused me much annoyance by their irregularity in passage. Being told to try Doan's Kidney Pills, I did so and the contents of two boxes effected a cure. I am enjoying better health than I have for years." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
