Brother Douglass: Evening Star Grange
sends greeting and best wishes to you.
At the meeting of Sept. 1st we heard of
your continued ill health with sorrow.
Those members who are personally ac-
quainted with you or who had attended
Pomona during your term as master, re-
called many of the pleasant meetings,
and all expressed deep regret that you
are unable to meet with us now as in
the years past. Especial mention was
made of the meeting held in our hall
several years ago when you sang "When
the Farmer Comes to Town." If you are
unable to meet with us at Pomona this
week be sure you will be present in our
thoughts. By order of the Grange,
Julia Spooner, secretary."
