**Montavilla and Vicinity**

The Montavilla branch library has been without books for some little time, but it is understood that a new supply will shortly be forthcoming. Weekly changes will be made. The Woman's Home Training association is hopeful of being able later on to secure a room especially for this purpose, when all can go and read, but for the present, at least, it will be continued at D. McMillan's store, with Mrs. McMillan as librarian.

**A Christmas Party.**

A very enjoyable Christmas party took place on that day at the residence of Rev. W. W. Shuler, on Mizner street.

It was given by his daughter, Miss Ida Shuler and Miss M. E. Palmer. Invitations were issued asking the guests to come at 4 o'clock and stay till they were ready to leave. Music, debates, recitations, charades and other amusements sped the hours until chocolate and cake were served, after which all were asked into a room that had been kept under lock and key during the evening, where a magnificent Christmas tree had been prepared as a surprise, and from whose spreading branches all present received some token of the occasion. Those present were the host and hostesses, Rev. W. W. Shuler, Miss Ida Shuler, Miss M. E. Palmer, Mr. and Mrs. W. L. Bartlett, Mr. and Mrs. O. E. Carter,

Mrs. Woodruff, Misses Carrie Buckingham, Grace Bartlett, Nita Bartlett, Elsie Carter, Mr. Imes, Mr. Guilds, and Master Willie Bartlett.

**Home Training Association.**

The Montavilla Home Training association held its regular meeting last Friday afternoon at the public school building, quite a large attendance being present. Prof. N. W. Bowland, principal of the school, was down on the program for a talk on "Holidays, their uses and abuses," but he sprung a surprise on the association by giving instead a program that illustrated the work in the school, in which both teachers and pupils participated. It embraced instrumental music, singing, reading exercises and manual training work as used in the regular school work. It proved very interesting to all present, and gave them a better insight into what is being done in the schools than they had before. The question of an assembly hall was taken up and discussed, and it was decided to petition the board of education for this much needed addition to the school building. At present there is no room for any meeting or gathering except in the class rooms and the lack of accommodation often proves a great hamper to successful work.

**A Pound Party.**

The parishioners of Rev. H. Oberg, pastor of the M. E. church, surprised him with an old fashioned "pound party" last Friday evening. They gathered in force, each bearing a selection from the good things of life. Music, vocal and instrumental, and other amusements caused the time to fly only too quickly, and when the hour for departure came, all who were present were of the opinion that a more enjoyable time could not of been had.

**PLEASANT VALLEY**

Yes, this is Pleasant Valley by nature as well as by name, and a number of persons seem to realize the fact from the way they are buying up small tracts of land.
