Every Day is Powder Day with Us

WE PAY the Highest Market Price for Butter and Eggs.

PEOPLE LIKE TO KNOW

WHEN they go to a store to trade that they are going to get their money's worth. We aim to establish confidence of this kind.

When a firm has been in your vicinity as long as we have you know something of that firm. Don't you?

We want our reputation among you to be such that when you send here for goods you are confident of getting just what you want and at the right price.

We expect to make some profit, of course; that's what we are here for, but we won't sell you one thing below cost and make it up on something else.

People put a worm on a hook and call it a "bait." Some dealers put merchandise on the hook and call it a "leader." A "leader" is a "bait," and a "bait" is a "leader."

We won't bait you on "leaders" and make you pay extra for other things in order to regain what we lost on the "leader."

Why go away from home to trade when you can buy all the goods you want right here and at reasonable prices?

When you buy goods away from home you pay your money and take what they choose to send you.

The other fellow gets the money and if you don't like what you get, what are you going to do? Keep it, that's all.

If you buy goods of us that are not as we represent them, bring them back and we'll replace them or refund your money.

No firm dealing in goods of inferior quality ever makes this offer. We make it because we know our goods are first-class, and we want you to feel that an article is good when we say so.

In the city rent is high, water tax, electric light, expensive clerk hire and other modern expenses all have to be paid, and you help pay them when you trade there.

Doesn't it stand to reason that we can make you better prices when we avoid those expenses? Ever think of it that way?

We buy goods as cheap and get as big a discount as our city competitors. Having lighter expenses enables us to make lighter prices.

If you are not already acquainted with the above facts, an investigation will confirm them and convince you that when we say so, it's so.

Why not patronize home enterprise and spend your money where you get your favors?

We Carry Everything usually Found in a First-class General Store

And if you want something we haven't in stock we'll be pleased to get it for you.
