NEW LAW PROVIDES FOR GRESHAM LOCALS. ADVOCATES SINGLE RURAL HIGH SCHOOLS

Several Districts May Unite for Maintenance of Good

High School.

The Union high school law which goes returned to her home last Sunday. nto effect the 25th of next month makes leges for the great majority of the childboys and girls who finish the grammar day they are laid. grades has become a serious problem in many homes. Cities have solved the

problem by providing high schools, but rural communities have been required to pay board and tuition to secure the benefits of a high school education for their children. The demand for high school privileges became so emphatic throughout the state that the legislature provided a means whereby contiguous districts may unite for high school pur-SYNOPOLS OF LAW.

To form a union high school district petitions must be prepared, one for each district concerned, addressed to the dis-

trict boundary board. These petitions request the boundary friends at John's the past week. board to direct that the questions of uniting its districts described be sub- Johnston were in Portland Monday. mitted to a vote at the next annual

school meeting. The vote taken in by ballot and the ballots read "For Union High School-

· Yes," "For Union High School-No." To effect a union for this purpose # majority of the votes cast in each one of the districts concerned must be favorable. It will be noted that any one of the districts to be united may defeat the measure by voting against it.

HOME GOVERNED.

If formed by uniting two districts of the third class, the respective school boards become the union high school board. If formed by uniting three third class districts the board consists of the chairman of eact district school board concerned. If formed by any other combination of districts, the board consists of five. These five are appointed by the boundary board to serve until er, now of Salem, was a guest of D. M. the next annual election, when the peo-
