Chicago, May 20.—The recent action of the Burlington in cutting the rates on transcontinental mail to meet the competition in service and time of the Rock Island, is having an important bearing on the question of mail com-pensation generally.

It is said that the voluntary reduction made by the Burlington is being seriously considered by the postmaster general in determining whether the total compensation received by the rail-roads shall be reduced between \$5,000,-

000 and \$6,000,000 annually.

This fact became apparent, it is stated, last Wednesday, when a committee of prominent railroad called on the postmaster general with

Prosecution Will File 70 Indictments and Put Him Behing Bars

San Francisco, May 20 .- The graft prosecution, now that it has the assurances of Ruef that he will tell the complete story of corruption to the grand ury, has turned its attention to Mayor Schmitz. Before the end of the week Assistant District Attorney Hency will ask the judge to give Schmitz into the custody of a special elisor. In order to bring this about, the prosecution will, if necessary, file 70 indictments against Schmitz. These indictments will charge the mayor with having been a party to the pribery of the members of the board of supervisors in all the crooked deals in which they engaged. The testimony of Ruef is explicit on this point.

"Mayor Schmitz knew what the supervisors were doing and was a party to every deal," said Ruef.
