Taken at Official Opening of Fairview Branch O. W. P.
Electric Railroad, June 29

Special Inducements on Lots in Fairview are now being offered to the public. 100 lots must be sold in 60 days.

Remember Fairview lots are 50x150 feet, and everyone a prizewinner. The coming of the O. W. P. electric road insures increased valuation to lots in Columbia's most beautiful city.

I also have numerous bargains in acreage property. Office on the ground. No trouble to show the property. For further announcements watch this space next week.
