A Certain Cure for Croup—Used for Ten Years without a Failure

C. W. Bott, a Star City, Ind., hardware merchant, is enthusiastic in his praise of Chamberlain's Cough Remedy.

His children have all been subject to croup and he has used this remedy for the past ten years, and, though they much feared the croup, his wife and he always felt safe upon retiring when a bottle of Chamberlain's Cough Remedy was in the house. His oldest child was subject to severe attacks of croup, but this remedy never failed to effect a speedy cure. He has recommended it to friends and neighbors, and all who have used it say that it is unequalled for croup and whooping cough. For sale by all druggists.
