"wildcat" investments without publishers from all portions of

the state. No editor is so poor, : * or so crowded with work that he . can afford to stay away from this meeting. No organization in the . state is more important than this. . Yet there is no organization in the . state that has been so poorly attended. This is largely the fault of the publishers themselves. . has a strong, well attended Press . Association working for the good of its members and the state at .

The Press of Oregon compares . favorably with that of any other state in the Union. We have as . brainy, able, shrewd business . men as any. We lack only in . one thing - organization. Organization, however, happens to be the most important of all, for there is where the strength of the Press lies. It is time to get together. We have already fooled away valuable time.

. Thousands of dollas have been lost to the publishers of Oregon, and the people of the state are kept in ignorance of real and tax lists and the laws of the state because the publishers of the state have allowed prejudice, envy and petty jealousy to stand in the way of organization. It is time to get together and work ly proud.

convened.

bers will get down to business and, in so far as is possible, give the common people a square deal.

No better medium can be used by the business men of this district for letting people know of the good things Santa Claus is bringing for everybody this year than the Beaver State Herald. It is read weekly by over 6,000 people who will spend a vast amount of money for Christmas presents.

The death of Merle D. Nelson, of McMinnville, recently occurred near Porterville, California, where he had gone for his health. Mr. Nelson was founder of the Cloverdale Courier, was a member of the Oregon Press Associawas the youngest editor in the state.

God Give Us Men

God give us men! A time like this demands Strong minds, great hearts, true faith and ready hands! Men whom the lust of office does not kill; Men whom the spoils of office can not buy; Men who possess opinions and a will; Men who love honor-men who will not lie; Nearly every state in the Union . Men who can stand before a demagogue And brave his treacherous flatterings without winking! Tall men, sun crowned, who live above the fog In public duty and in private thinking. For while the rabble, with their thumb-worn creeds, Their large profession, and their little deeds, Mingle in the selfish strife, lo! Freedom weeps, Wrong rules the land, and waiting justice sleeps.
