For Lung Bill Troubles

Ayer's Cherry Pectoral certainly cures coughs, colds, bronchitis, consumption. And it certainly strengthens weak throats and weak lungs. There can be no mistake about this. You know it is true. And your own doctor will say so. "My little boy had a terrible cough. I tried everything I could hear of but in vain until I tried Ager's Cherry Fectoral. The first night he was better, and he steadily improved until he was perfectly well." — Mag. S. J. Syrmin, Alton, iii.

LADY ATTENDANT.

At Scranton, Pa., the "rib-tickling book of humorous fiction, 'The Rejuve-nation of Aunt Mary,'" had its first production on the stage. "Aunt Mary" is by Anne Warner. Anne Warner wrote "Susan Clegg" and "Susan Clegg" was praised by President Roosevelt. Consolation for the member at the

tag-end of a large family: "Coleridge was the last of thirteen children; James Fenimore Cooper was the elevanth of twelve children; Washington Irving was the last of eleven; Balzac, the last of three; George Ellot, the last of four; Napoleon was the eighth, and probably the last; Daniel Webster, the last of seven; Benjamin Franklin was the last of seventeen, and the last-born of the last-born for several generations; Rembrandt was the last of six children; Rubens, the last of seven; Sir Edwin Landseer, the fifth of seven children; Joshua Reynolds was the sevsuth child of his parents; Carl Maria Weber, the ninth; Richard Wagner, the med'cine companies as is bargainin which records the distance covered in the metric system. inst of seven; Mozart, the last of seven; Mozart, the last of seven; Schumann, the last of five; Schumann, "It's surely fine," remarked the man, bert, the thirteenth of fourteen."

acteristic in which- Henry Arthur can: "All in all, there are some twenty of Mr. Jones' plays which I have "Tommy," said Mrs. Tucker, who was read. None is exactly tragedy, none is thowing him through the geological de- exactly comedy; but I could not say They are very like life in simple, except when we humbug our selves into the belief that we are very "Mistah Walkah, what am de diffunce involved as to eitner; perhaps we are then still simple. Mr. Jones, at any rate "I can't answer that one, George. What addressed us in very plain terms, and "When de money am locked up it gits proposition is or how bold its solution tight, an when a man gits tight he am clouded by any vapors stirred up in his view of human nature is not be-"Ladies and gentlemen, the celebrated the juggle with his own consciousness;

Monthly, Why Is a Joke Funny? He proceeds to show that what is funny in Tess-And were you really thrown one situation is not funny in another: "Russell Sage is a spendthrift. (Joke.) Russell Sage is a thief. (A lie.) Tess-Gracious! You must have felt Teacher said 'Ouch' as he landed on the tack. (Funny.) Teacher said 'My Jess-Oh, terrible. I just knew that God' as he slipped from the porch and my hat wasn't on straight, but I had no was impaled on the spike of an iron fence about the area. (Nothing very It was growing very late, but the funny in this.) Sambo is caught stealroung man in the parlor scene showed ing chickens. (Much humor.) Mr. no signs of making a home run. "You evidently have a very vivid im- funds. (No joke.) Mr. Weber hits Mr. "Why do you think so?" queried the Frank Daniels poses as Queen of the May. (He is irresistible.) Ophella "I thought perhaps you imagined does a similar stunt. (It is very payourself in the arctic regions, where thetic.) Bernhardt does tragedy with tears.) Clssy Loftus does the catch -Yes, and how charmingly she can faded into the glumpsome gloom.—Chi. comedienne." Mr. Gardner's instances are amusing. We cannot agree with him, however, that "It is wrong for Buster Brown to be so mischievous, bu author." Not everyone laughs. Which "Ha!" grimly smiled Hannibal; "to leads us to suggest that Mr. Gardner Funny?" a more pointed one: "Why

THE COW'S HORN.

Various Ways in Which It Is Made Useful by Man.

Have you any conception of how use ful that horn is to us? Scientifically it "No," answered Mrs. Torkins. "I is known as a combination of phoswish that whenever Charley makes a phate of lime, gelatin and albumen, bet I could bet a similar sum the other and, like all nature's products, the in way. We would save a lot of money." gredients are in the right proportion to make the article useful to man as well as to the animal that bears it.

In the days when plane lessons were The lime makes the horn hard, but thought a necessary part of a young there is just enough lime to make it weman's education, without regard to hard without making it brittle, and aptitude, the head of a fashionable there is just enough gelatin to make school in St. Petersburg asked Rubin the horn easy to cut and shape. The stell how many hours a day her pupils core of the horn is bone, and to get that out the horn is soaked in water "None," was the laconic response of for several weeks. When the core is taken out it is ground up and made into crucibles which are used for melt-

reviewers were unnecessarily severe on that last novel of mine.

The outer end of the horn is hard and solid, and that is used for making Naggus-Why, you ungrateful bound, knife handles and other things. The with one accord we pronounced it one of hollow part of the horn is soaked for the cleanest and most uplifting works of half an hour or so in boiling water, when it becomes soft and may easily

It is then spread out flat and put between fron plates. There was a time "I don't look much like an athlete when these horn plates were made now'days, ma'am," said Wareham Long, very thin by hard pressure and used in windows and lanterns as we now us glass. They may be made quite trans-

When the horn is heated it may be molded into almost any desired form. That is the way knife handles, buttons "Ma," began Tommy, trying for the and other articles are made. Chicago
