## PAYABLE ON DEMAND

If you carry money on your person or have it at your house it is "Payable on Demand" when the burglar comes around. You not only lose your money, but your life is in danger. Fool the burglar and deposit your money in this bank. Your money will be safe because we use safe methods of banking only, and the minute your money is handed over the counter it is insured against loss by "hold-ups" or "burglary."

By keeping money about your home you are inviting crime for which you and your more thoughtful neighbors are paying dearly each year to convict a few only. The balance is turned loose to prey on you again.

## PROMISING OUT-LOOK FOR 1908

### Portland Resumes Specie Pay-ment Ahead of Time—Prospect of Much Building and Fewer Men Unemployed.

Special Correspondence.  
PORTLAND, Oregon, January 24.—It may be interesting to note that while there are some idle men in this state and Portland, on the whole we are doing much better than Washington. Portland has been on a cash basis for several weeks, and was the first city of importance in the Northwest to resume full specie payments. Clearing house certificates are being retired as rapidly as they are being paid in at the banks, and they are not being renewed. Over in Seattle they are just beginning to retire this asset currency, which speaks well for that city. But conservative Portland, where the people are said to be a little slow, is better placed financially than any city of the same population in the United States. This is saying a great deal not only for Portland, but for the entire Northwest. Portland is a tower of strength. Its pre-eminence was never more fully demonstrated than in the way it passed through the financial stringency. Indications point to a good year for 1908.

Architects are again busy on new work, after being idle for nearly three months. An architect in position to know says Portland will have another good year in the building line. The homebuilders' movement which started here four years ago is moving again. This may be seen in the suburbs. In the matter of acreage tracts there is a great movement. Especially is this true east of Montavilla north of the Base Line road. Several hundred acres of wild land is being cleared, the main portion of which will be set out in fruits. It is predicted that all the land between Mt. Tabor and the Twelve Mile House on the Base Line road will become a great fruit growing section. Portland men have been buying tracts ranging from five to twenty acres, sometimes more, in this district, and have Italians, Japanese and others at work clearing this land. It means that before long Gresham will become a Portland suburb, independent, of course, but connected with Portland by a chain of fruit farms.

## GRESHAM AND CLATSKANIE

### High School Debating Teams Will Meet in Forensic Try—Gresham Schools Crowded to the Limit.

The high school debating term, consisting of Mary Hansen, Harley Turner and John Shattuck, have recently been paired with Clatskanie for the second of the inter-district contests. The date for the contest is February 7, and the question is, "Resolved, That the United States government should exclude from the country all Japanese other than students and travelers." Our school will support the affirmative.

## FAIRVIEW MAY INCORPORATE

### Civic Improvement Club Pushing the Project—Citizens Generally Favor It—Late Car Wanted.

The meeting of Fairview Civic Improvement club held on Monday night was attended by about 30 men and 10 women. The subject of incorporation was discussed for some two hours. G. E. Shaver, N. Davis, W. Ellison, E. A. Whitney, W. T. Scott, C. E. Cree, D. S. Dunbar, G. O. Dolph and G. R. Wilcox all spoke in favor of incorporation, and the remaining members signified their consent by silence.

The boundary lines as laid out by a committee composed of W. Ellison, A. L. Stone and Wm. Butler were accepted by the club and the committee retained to effect the incorporation. G. E. Shaver proposed that the Portland Railway company be asked to run a late car from Portland here at least one evening in the week. Mr. Shaver was appointed by President Davis as a committee of one to interview the Railway officials in regard to the matter. The meeting adjourned till the second Monday in February.

## GRESHAM LOCALS

Charles Davis of Anderson was a caller last Friday. He will have a public sale of his farm implements, stock, household goods, etc., on January, 30.

## GRESHAM AND CLATSKANIE

### High School Debating Teams Will Meet in Forensic Try—Gresham Schools Crowded to the Limit.

The high school debating term, consisting of Mary Hansen, Harley Turner and John Shattuck, have recently been paired with Clatskanie for the second of the inter-district contests. The date for the contest is February 7, and the question is, "Resolved, That the United States government should exclude from the country all Japanese other than students and travelers." Our school will support the affirmative.

Contrary to expectations, there has been no falling off in attendance due to the weather. On the contrary, there has been a steady increase in registration all through the year, until at present the school is crowded away beyond its proper or normal capacity.

Harley Turner was out of school Monday on account of illness. Harley's absence created quite a little consternation, as he is a member of the debating team that is soon to debate with Clatskanie. Another member of the team, John Shattuck, has been ill for about three weeks.

This week marks the beginning of the second semester and is largely given over to examinations in the various high school classes. With these examinations several subjects are completed, new ones to be introduced in their place next week. The freshman class passes from Grecian to Roman history; the sophomores take up botany and plane geometry in place of physiology and algebra, and the juniors pass from plane to solid geometry. The seniors expect to complete their course in economics soon, after which they intend to take up bookkeeping.

The young ladies of the high school have organized a quartet consisting of the following member: Marian Robertson, tenor; Maeve Lovelace, soprano; Bessie Dailey, alto, and Minnie Lawrence, bass. They expect to have a selection prepared for the next meeting of the literary society.

Fred Hoos, having recovered from the mumps, has returned to school.

Maud Michel visited the high school Tuesday.

Raleigh Watson, another victim of the mumps, is back in school.

Chester Black has returned to school after an absence of a few days.

## ROCKWOOD

Rockwood Grange met in all day session on Saturday, the 18th. Mrs. C. Townsend was present and installed the officers. She was assisted by Mrs. Wm. Byers. Five new names were proposed for membership, one initiated.

The family of Wm. Childers who have been having the grip, are all on the road to recovery.

The family of B. F. Powers are taking their turn having the mumps.

Raleigh Watson is confined to his home with the mumps.

The parents of Mrs. Paul Smith arrived here Saturday from Minnesota. As there quite a number of children in the family, it will make quite an addition to the school, which is already crowded.

## Dance Postponed

It wish to announce to the people of this vicinity that there will be no dance in Metzger's hall, Gresham, Saturday, January 25, and none until further notice. E. D. METZGER, Mgr.

Sherwood; Chap., N. Judd; Q. M., Henry Kane; Adj., Geo. Lockerby; surgeon, Lorenzo Winters; officer of the day, E. G. Rickert; officer of the guard, W. Pearlburg. Corps officers: President, Maggie Crow; S. V., Annie Bates; Chap., Susie Sherwood; Com., Isabel Rugh; guard, Hannah Bond; Sec., Clara Kane; Treas., Lillian Chipman; Pres. C., May Emery; P. In., Hattie Wostell.

A large delegation was present from Portland, Oregon City, Sunnyside, and Kelso. The installing officers were Mr. and Mrs. Geo. Older, assisted by Wm. Bates, Sam. Rigby and Mrs. Pool. After the installation a bountiful dinner was spread with plenty for all and more if they had come.

## AGED CITIZEN DIES SUDDENLY

### Lorenzo Winters Succumbs to Heart Trouble—Thirty-two Years of His Seventy-two Spent in Oregon.

Lorenzo Winters was born in Germany Aug. 10, 1835, and died at his home Gresham Sunday, Jan. 19, 1908. He came to America with his parents in 1849 and settled in Genesee county, New York. He served three years in the Civil War in the 8th New York Cavalry. On Oct. 2, 1862, he married Miss Mary Kennedy.

Soon after the war he moved to Illinois. From there he came with his family to Oregon in 1876, taking up a homestead south of Gresham.

His first wife died in 1886. Later he married Miss Hannah Hanson, a native of Norway, who departed this life on April 12, 1907.

Mr. Winters had four children by his first wife, three of whom are now living. They are as follows: Mrs. Eliza E. Metzger, Mrs. Anna M. Gibbs and Roy L. Winters. By his second wife he had four children, as follows: Willie, Ruth, Maggie and Johnnie. These are all living in Gresham and mourn the loss of a loving father. He leaves a brother, John Winters, living at Apulia Station, N. Y., and a sister, Mrs. L. A. McIntyre of Hastings, Mich.

Mr. Winters was an honored member of the M. A. Ross Post, Grand Army of the Republic. He was almost a pioneer in this section of Oregon, having lived in this vicinity over thirty years. He was well known, especially by the earlier settlers; was a hard working and industrious man, always ready to give a helping hand to a neighbor or friend in need.

Two years ago he built a home and took up his residence in town, and had become a familiar figure upon our streets.

The funeral services were held in the Baptist church Tuesday, January 21, at 11 a. m., Rev. David Wolfe of the Grand Army preaching the funeral sermon. The M. A. Ross Post attended the funeral in a body and took charge of the services at the grave.

Many friends gathered to pay the last sad respects to their friend and neighbor. Many beautiful flowers were placed on the grave.

The sympathy of the community is extended to the bereaved family and relatives.

H. L. St. Clair and Mr. and Mrs. Timothy Brownhill attended the meeting of the Oregon Press association in Portland last Saturday.
