SWIFT PACKING CO. COMING

Ready to Begin Work on \$3,500,000 Plant at Once.

Portland, Feb. 10 .- In the first and only authorized statement which has been given out either here or anywhere else regarding his company's plans in the Pacific Northwest Louis F. Swift, president of Swift & Co., last night declared that the mammoth Portland plant, which will represent an outlay of \$3,500,000 and which will be erected on the Peninsula, will be completed and ready for operation in all departments in one year. Portland is also to be made the center of the packing industry of the Pacific Northwest, and the Troutdale plant, near Portland, eventually

The Swift people are ready and prepared to go ahead with construc-

ination of duplication of work; and were a number of other considera that the practice of requiring need-less detailed reports from small post-interfere with their consummation. offices be discontinued. The moder-ate application of the non-accounting that if Portland ever intends to wrest system to small offices will eliminate the bulk of the Alaska trade from about 30,000, or nearly one-half, of the Sound cities, the merchants and
