PAY BY CHECK

THE FARMER'S Conveniences are not alone confined to the Rural Free Delivery of mail and the Telephone.

There is another convenience which all farmers both large and small should have, and many do have,

A CHECKING ACCOUNT WITH A GOOD BANK.

We have on our ledger the names of over 300 farmers and others who have found a checking account with us almost indispensable after once started. His bills paid by check are not only a valid receipt but also a convenience in his home transactions where very often the necessary change for concluding a settlement is not at hand.

Our deposits in this one department have grown to nearly \$50,000, showing that the people appreciate the advantages of a good bank close to home.

GRESHAM SHOULD ERECT BANDSTAND

The Business Men Should Get
Busy and Erect Stand and
Arrange for Concerts.

The Gresham Brass Band, was heard for the first time this season in open air concert, last Tuesday evening when they played for the Republican rally. Large crowds gathered at every corner where the band played. Much interest was shown and favorable comments heard from the crowds in attendance from Portland, Cleone and the surrounding country.

The band is an indispensable factor to the community and should have the hearty support of every citizen as well as the country folk around here.

The citizens and business men of Gresham could make no better move than to erect a suitable bandstand at some centrally located place and make arrangements for open-air concerts by the band once or twice a week during the summer months. In this way crowds would gather regularly to hear the music and no little trade would be derived in consequence.

The band was organized last July with eight or ten pieces but has grown to a full fledged band of 18 instruments.

Excellent work is being done by the boys and their leader, Dr. H. H. Hill. They meet for rehearsal every Wednesday evening at Grange Hall.

LOCAL NEWS ITEMS

At the business meeting held at the Baptist church, Mrs. Brownhill was elected to succeed Mr. Brownhill as superintendent of the Sabbath school. Miss Hattie Daily was elected organist and Mrs. Larson Bible class teacher. Services will be held both morning and evening next Sunday. The subject of the morning sermon will be, "Under the Blood," to be followed by communion service. The subject of the evening sermon will be, "Do with your Might What your Hands Find to Do." All are cordially invited.

DAIRYMEN WILL MEET AT GRESHAM

All dairymen interested in the sale of milk and the purchase of feed are asked to attend a rousing meeting to be held at the Gresham Grange hall next Sunday afternoon, April 5th, at 2 o'clock.

There is no dairymen's organization in this part of the state and heretofore there has been no attempt on the part of milk producers to co-operate for the advancement of their business. This is a step in the right direction, and the meeting should be well attended.

Emil G. Kardell of Steele, N. D., made The Herald a pleasant call this morning. He is well pleased with this section of Oregon and expects to locate here. He is assisting A. Meyers in the bank.

Hockinson-Ruegg

A very pretty wedding was solemnized Wednesday evening, March 25th at the home of the bride's aunt, Mrs. A. E. Lindsey, 1135 East Taylor street, Portland, the contracting parties being Miss Nellie Ray Ruegg of Gresham and Mr. Wm. H. Hockinson of Portland. Rev. T. B. Ford of the Sunnyside Methodist church officiated.

The parlors were beautifully decorated in Oregon grape and red carnations. The bride was charmingly attired in cream silk mirloune over white silk trimmed with point lace, and carried an arm bouquet of bride roses.

Mrs. Hockinson is an accomplished and charming young lady and has a host of friends at Gresham among whom she will be greatly missed. Mr. Hockinson is a young man of sterling qualities and holds a responsible position in one of the largest markets in Portland.

The happy couple will be at home to their many friends at 963 Second street. The Herald extends best wishes.

The undersigned, having sold his interests in the Beaver State Herald, and on account of other interests compelled to move to other fields, must insist upon immediate payment of all bills due to March 1st. Same may be paid at the office of Beaver State Herald.

TIMOTHY BROWNHILL.

FAREWELL BANQUET TO TIMOTHY BROWNHILL

Many Citizens Gather Around
Festive Board and Speak
of Editor and Paper.

Unsolicted and unexpected by Mr. Brownhill, a number of his friends met last Friday evening, around the table to participate in a farewell feast, both appetizing and intellectual. The banquet was prepared by some grange friends and reflected great credit upon the cookery and taste of those having it in hand. His informality was a pleasure and relief. The physical man being satisfied, Dr. J. M. Short presided as toastmaster and about every gentleman present was called upon for a response. Mr. Darnall, the new proprietor of The Herald, responded to the toast, "The Paper," telling briefly what he thought the paper should be. J. W. Shattuck discussed the paper from the point of the Grange; F. B. Stuart, "The City Council and the Paper"; Theo. Brugger, "The Farmer and the Paper"; Prof. C. C. Baker, "The City Schools and the Paper"; H. L. St. Clair, "The Career of the Paper"; Lewis Shattuck, "The Paper and a Greater Gresham"; D. M. Roberts, "The Real Estate Business and the Paper." Dr. Ott devoted most of his attention to the new editor, giving him a recommendation based on his experience as a farmer pupil. Other speakers were E. L. Thorpe, W. E. Davis, Fred Fieldhouse, George Sterit, John Sterit, not slighting Dr. Short, who presented the speakers with many tasteful introductions. Mr. Brownhill replied to the regrets and kind wishes with an expression of gratitude for many favors shown, and of regrets that his duties must take him elsewhere. The symphony orchestra furnished entertaining music. Time passed quickly, and the hours of morning found us still busily saying farewells and best wishes.

ADMISSION, 25c

JAMES COLE
Former Assistant United States District Attorney
CANDIDATE FOR REPUBLICAN NOMINATION FOR DISTRICT ATTORNEY

"It is my desire to express confidence in and the purpose to apply the spirit of American fair play as a controlling factor in the politics and the administration of public business of this community."

"I will enforce the laws so as to protect society and individuals against the offenses and depredations committed by those whose avarice or viciousness jeopardize the safety of that society and those individuals."

"Therefore, my purpose and policy will be:

1. To exhaust every effort to secure to every person, in public or private life, fair and impartial treatment and the protection guaranteed by the laws and constitution of this state, and to secure to the public the public service to which it is entitled.
2. To enforce the Sunday-closing laws.
3. To enforce the gambling laws.
4. To do my best to convict every person practicing medicine or surgery in an unlawful manner.
5. To enforce the laws we have for the protection of minors, both boys and girls.

"6. To enforce the laws of this state relating to labor.

"7. To enforce the laws generally.

"8. To carefully investigate grafting and bribery rumors, and if evidence of grafting or bribery sufficient to secure and sustain convictions can be found, to prosecute the offenders.

"I am not pledged, bound or promised to any faction, nor will I become so in any matter concerned with my office or official career. Office should not be sought or occupied for private advantages or private honor, but I do consider that honest purpose and zeal to acquire and retain a reputation as a lawyer in a public position frees such position from undue influences, political or otherwise, and provides a stimulus to every citizen's satisfaction in the performance of duty.

"Lastly, I desire the public to understand that I am a Republican and that if elected, no political influences or political ambitions will be permitted by me to control or interfere with the duties of the office of District Attorney, and I will exert my utmost to resist and destroy such control or interference to the end that this community may have the full benefit and protection of the laws."
