# GUS C. MOSER FOR DISTRICT ATTORNEY

We publish in this issue the political card of Gus C. Moser, who seems to be the leading Republican candidate for District Attorney at the coming Primary election.

Mr. Moser has been a Republican all his life, although he was chief deputy under Mr. Manning for three years and a half, which was the result of the bitter factional fight in the republican party, prior to the enactment of the direct primary law.

As Deputy District Attorney, he had nothing to do with framing the policy of the District Attorney's office, but merely to prepare indictments and try cases that were assigned to him. He has been a remarkably fair but vigorous prosecutor, and has made a record as such that it seems well surely give him the nomination in April, and the election in June.
