# For Sheriff ROBERT L. STEVENS

REPUBLICAN

SOLICITS the support of all voters who favor an honest, economical administration of the office, and who believe in the enforcement of ALL the laws with strict impartiality.

The cost per dollar of collecting taxes under Sheriff Stevens administration compared with like conditions under Word's administration was 3 mills compared with 3 1-2 mills under Word's administration. For the first four months of 1908, \$2,650,054.50 in taxes, an increase in business of 55 per cent over the \$1,725,315.03 taxes handled by Mr. Word in the first four months of 1906, was handled by Sheriff Stevens with but 23 per cent increase in extra help employed.

**HE** Is the People's Man.  
Has Given Satisfaction in the Past.  
Is in Harmony with Administrative Affairs of the County.  
Is Fearless in the Prosecution of Graft, Saloon Violation and Bank Embezzlement.

**WORD AS SHERIFF WANTS ONLY A FLAT SALARY**

Asked in regard to his pledge to be satisfied with a flat salary, Mr. Word said:

"Yes, sir; I mean just what I say in that letter. My salary shall be \$4,500 a year, and no more. The county court can board its own prisoners without a cent of profit to me. And more, I am so well pleased with the work that is being done by the prisoners at Kelly Butte that I am willing the county court shall not only have the custody of the prisoners at that place, but also appoint the guards."

A vote for Tom Word for Sheriff means a reward to a man who has rendered this community good and faithful service by enforcing the law and giving us the most economical and efficient administration of that office on record.

**SALMON CANNOT GET AROUND LEADS & WHEELS AND CANNOT REACH SPAWNING GROUNDS**

NO SALMON CAN NOW GET INTO UPPER COLUMBIA AND TRIBUTARIES TO SPAWN COLUMBIA RIVER

the only salmon stream on Pacific Coast where MERCEDES FISHWHEELS are permitted. BILL 332 now before the public WILL CORRECT THIS

Four years ago baselines in Upper Columbia caught over 20,000 salmon. Fishwheels improved, so now no salmon reaches hatcheries, and they are all closed. Thus all of the Upper Columbia natural spawning grounds are barren.

Will give all salmon to six wheelmen as long as salmon last. Will kill off all salmon.

CLIP THIS OUT

332	X	Yes	(TRUE FISH BILL)
333		No	
318		Yes	(FISHWHEEL OWNERS' TRICK BILL)
319	X	No	

This picture shows the LONG LEAD, extending into river, right up to falls, and the three uppermost fishwheels. These CATCH ALL THE SALMON ascending to spawning grounds. To save the Columbia Salmon Vote 332, Yes, and 319, No
