WORD AS SHERIFF WANTS
ONLY A FLAT SALARY

Asked in regard to his pledge to be satisfied with a flat salary, Mr. Word said: "Yes, sir; I mean just what I say in that letter. My salary shall be \$1,500 a year, and no more. The county court can board its own prisoners without a cent of profit to me. And more, I am so well pleased with the work that is being done by the prisoners at Kelly Butte that I am willing the county court shall not only have the custody of the prisoners at that place, but also appoint the guards."

ABOLISH FISH WHEELS SAYS PRES. JORDAN

Stanford University, Cal., May 13, 1908.—Mr. Edward Rosenberg, Astoria, Oregon: In response to a request from Mr. Hylton I am giving you my opinion as to certain matters connected with the salmon fishing in the Columbia. As you know, I was the first commissioner ever sent out to investigate the salmon fishing in the Columbia in 1880 and I have made a number of visits there or farther north in the same interest since then. I have not changed my opinion in this time as to these matters.

(1) The fish wheel and the stationary trap in the Columbia River should be abolished. It would be well for the fishing interests of the country if the stationary trap in all of its various forms was everywhere eliminated, for this is the most destructive and indiscriminating kind of fishing.

(2) I would also recommend that a careful study of gill net and similar methods of fishing be made with a view to the ultimate interest of the fishing industry, as even if worse forms of fishing were eliminated, there are still perhaps too many gillnets for the size of the river.

To prohibit gillnet fishing after dark would virtually destroy the effectiveness of that industry at all times when the water is clear.

Very truly yours,
DAVID STARR JORDAN.

OREGON GRANGE SPEAKS
The Oregon State Grange passed the following resolutions at its meeting this month:

Whereas, There has been referred to the Committee on Resolutions for consideration the two fish bills relating to the fishing industry to be voted on at the June election, bills No. 319 and 332, respectively:

Your committee has carefully examined into these two bills as far as their time would permit and have to report that we favor proper protection to all natural spawning grounds, and to that end we deem it as a great detriment to said industry and to our state the operation of fish wheels in the narrows of said river and demand and urge the passage of a law removing the same and also further recommending that said law shall be so constructed as to remove all traps from said stream.

LABOR FEDERATION
The Oregon State Federation of Labor has also endorsed the same proposed legislation.

THEN AND NOW

FOUR YEARS AGO Multnomah County in general and Portland in particular was the Mecca for gamblers of every degree and description. One could find "wide open" in the City of Portland every game known to the gambling fraternity. One could also find in the City of Portland the largest and most notorious dives on the Coast.

It was the good fortune of the people of Multnomah County that they had Mr. Word in the Sheriff's office during the Fair year, for had Mr. Wort been elected the chances are that he would have followed the "trodden path." In that event the whole world would have witnessed the rottenness of this City which would have been a disgrace never to have been forgotten.

WHAT A HARVEST THOSE GAMBLERS WOULD HAVE HAD IF IT HAD NOT BEEN FOR TOM WORD!
Is it any wonder that there isn't a single gambler or dive keeper in the county who is not opposed to Tom Word, and who is not doing everything he can to defeat him?

It is not strange that "Pete" Grant again makes his appearance in this county. Nobody knows better than Grant what Word cost him, and of course Mr. Grant doesn't want Mr. Word returned to the Sheriff's office. We need a man in that office who is willing to do more than serve warrants and subpoenas. We want and must have a man in that office who will do his whole duty and ferret out such violators of the law.

MR. WORD HAS RENDERED THE COUNTY AND STATE A GOOD SERVICE, AND HE SHOULD AGAIN BE ELECTED.
