## WILLAMETTE VALLEY CHAUTAUQUA MEETS

Good Program, Speakers and Instructors—Gresham will Play in Tournament.

The annual meeting of the Willamette Valley Chautauqua association convenes at Oregon City, July 7 to last 12 days. Glancing over the program we notice many commendable features. Thursday, July 9, is Oregon City day; Friday is Portland day and Saturday, public school day.

Among the most notable speakers we note the names of Senator John S. Williams, Robert McIntyre, Dr. B. L. Whitman, Dr. R. A. Heritage and a large number of leading Oregon educators. Many instructive programs have been outlined and no doubt this will be one of the most profitable sessions, intellectually, that has ever been held. Gresham is interested since her ball team will take a leading part in the games played during the meeting. A more complete program may be given next week.

## Death of David E. Manary

David E. Manary, one of the best known citizens of Eastern Multnomah, died at his home in Powell Valley on Friday, June 19, and was buried in the Gresham cemetery on Sunday last. Mr. Manary had been ailing for a year past but was not taken seriously ill until about three months ago, when his malady, Bright's disease, assumed a serious form and he soon passed beyond medical assistance. While awaiting the last summons he bore his illness with calm fortitude and committed his spirit to the Great Father in a firm belief of a life beyond the grave.

The deceased was born in Ontario, Canada, March 9, 1864. He leaves a wife and two children beside an aged father and mother, Joseph and Caroline Manary, and several brothers and sisters, all of whom are well-known residents of this county.

For several years Mr. Manary had been a faithful member of Gresham Lodge, No. 125, I. O. O. F., under the auspices of which the funeral services were held at the grave. These services were preceded by a funeral sermon at the Methodist church by Dr. A. Thompson, that edifice being filled to overflowing with a throng of mourners and sympathizing friends.

The bereaved family and other relatives have the most sincere expressions of condolence from everyone in their sad affliction.

SCENE ON THE FARM OF H. C. CAMPBELL, NEAR TROUTDALE, OREGON.

The above cut shows a fine view of some of the highly bred horses on the farm of H. C. Campbell, a half mile west of Troutdale. The colts are young fellows, the oldest being six weeks old and the youngest about three days old. It required some time and a lot of patience to get the "whole family" shaped up and quiet long enough to be taken. But they show up fine.

If you notice these horses are not merely show horses—they are work horses. The men were using one span of the mares in the field in the morning before the writer came, unawares, so you understand this is no "dressed up" occasion.

Mr. Campbell is interested in the Sun-Dial ranch and has as his private property, the 80 acres on which the horses are kept. With Mr. C. F. Swigert of Portland he has planned to build up a fine stock farm second to none in the state. They aim to provide draft

## CELEBRATION WILL BE LARGEST ON RECORD

Program Full of Attractions—Finest Picnic Grounds in Oregon, Free to All.

Gresham will celebrate the Fourth with a great, grand, glorious, noisy, rip-snorting celebration.

The celebration and barbacue will be held in Smith's grove. No better place could be found and doubtless no town can boast of such an ideal picnic ground with such conveniences. There are congregated here the speaker's stand, band stand, confectionery and lunch counters, amusements, picnic grounds etc., while immediately adjoining is the ball park, where the baseball game will take place, as well as the foot races and sports.

The O. W. P. company will put on extra cars to accommodate the public. The cars will run till 12 o'clock at night, giving all a chance to spend another day in celebrating. The big features of the day will be the Callithumpian parade which will be a procession of plug uglies and floats. It will start at 10 a. m. sharp, and the free barbacue takes place at noon. A whole beef will be roasted to a turn and served to the public by experienced chefs free of charge.

The ball game will be for the amateur championship of the state for which The Dalles Independents and the Gresham Giants will contest for. Two hundred dollars first prize and 100 second is offered for the winners of the aeroplane race which is to fly one-half mile and return at no less than 100 feet altitude.

Races that are races will attract a good deal of attention. Liberal prizes are offered both in trotting and running heats. If you want to spend a day in celebrating the Nation's birthday, come to Gresham July 4th.

Mrs. Meade who visited friends and relatives in Portland last week, returned home Saturday. Mr. Meade of Bull Run spent Sunday with his family here.
