Columbia's Birthday.

1776-1908.

Respectfully inscribed to the Gresham Centennial.

Nation of nations resplendent,
Born on this day independent,
All hail to thee, land of Liberty!
Columbia!
Heir of the best of all ages,
Nurtured in wisdom by sages,
We pledge thee anew our lives, our fortunes, our honor,
Sacred to thee.
Not in domain from ocean to ocean,
In money's mart nor traffic's commotion,
But in thy sons' loyal, living devotion,
Sprung from the heart's deepest, truest emotion,
Dominion lies, it never dies.
God of the right, watch thou ever o'er us;
Strong in thy might may thy truth be victorious;
Brotherhood, peace be the beacons before us;
Up with the Stars and Stripes, banner all glorious!
Columbia!

Resolutions of Sympathy and Respect

Adopted by Gresham Lodge No. 125, I. O. O. F.
Whereas, it has pleased Almighty God in his infinite wisdom to recall from this life our brother, David Manary, on the 19th day of June, 1908, whose loss we sincerely deplore and whose presence we shall miss. We in Gresham Lodge No. 125, I. O. O. F., now assembled, adopt the following resolution:
Resolved, that we as brothers join the bereaved ones and extend to them our sincere sympathy in their sad hour of bereavement, and that their sorrow may be tempered with the thought that God in his infinite wisdom knows best. And be it resolved that a copy of these resolutions be entered upon the minutes of this lodge and a copy be sent to the bereaved family, and one sent to the Beaver State Herald.

Signed,

METZGER FAMILY HAS RECORD OF LONGEVITY

Holds Reunion and Recalls Family History—Early Settlers in Oregon.

The regular annual Metzger reunion was held in the Grange hall Sunday, June 28. Although the Metzgers of Gresham were not all in attendance, some being in distant parts and some called away unexpectedly, all the families were well represented, being enough to more than fill the large dining room of the Grange hall.

The tables away under the load of good things to eat, and who can do better justice to a bounteous repast than a rugged German? The day was spent in reminiscences and listening to a program of recitations, songs, music and addresses, after which they all expressed their highest appreciation for the beautiful roses so kindly presented by J. W. Shattuck.

The Metzgers are organized all over the United States, this division being known as "The United Descendants of Baron Theobald Metzger von Weibom" of which organization the following are the officers:

Henry Metzgers, adviser; John H. Metzger, president; Daniel W. Metzger, vice-president; Geo. W. Metzger, secretary. By unanimous vote the day appointed for future annual reunions is January 1st.

Some remarkable things may be said of the longevity and prolificness of the Metzger family shown by their family records kept for hundreds of years. The average Metzger family is nine persons, seventy per cent of whom are males. Ninety per cent of all Metzgers born have lived beyond the age of sixty years and many beyond eighty.

Nearly fifty per cent of all deaths occurring before sixty years were caused by accidents and there is no record of any Metzger dying of consumption. The Metzgers were ever pioneers, John H. Metzger and Daniel W. Metzger being the pioneers of the Metzger family to the land "where rolls the Oregon."

POSTOFFICE RECEIPTS SHOW RAPID GROWTH

Trustworthy Evidence of Increase in Business and Population.

The general upbuilding of Gresham and development of the splendid agricultural districts by which it is surrounded is nowhere recorded more unmistakably than in the postoffice reports of the mail matter handled and the money receipts of the office.

Attention has been recently directed to this subject by the raising of the Gresham office from the fourth to the third class and more recently that the postmaster's salary, which is based on the business of the office, would be raised from \$1100 this year to \$1300 next year.

In 1901 two rural routes from Gresham were started, giving this office the distinction of being the first office in the United States not on a railroad to have rural routes. Three additional routes were established in March, 1902, although the office was still served by a daily stage from Portland. In January, 1903, the electric car service began and Gresham was soon given two mails each way a day. The growth in the business of the office has been steady and very substantial. Mrs. Irene McColl has been the postmistress during the past nine years and her service in that capacity has been most faithfully rendered and has given general satisfaction.

The receipts of the office for the past three calendar years have been as follows: 1905, \$1750.21; 1906, \$2960.17; 1907, 2534.69. For the first quarter of 1908 the receipts have been \$791.08.

Boy Drowned in Columbia Slough
FAIRVIEW, ORE., June 30—Owen Jackson is another victim added to the list of those who have been drowned in the Columbia Slough here. The water in the channel is always deep and it is difficult for one not acquainted with the stream to know where the dangerous places are. The accident occurred at 7 o'clock Saturday evening when Owen with Earl Washburn and Frank Fox were in bathing. In his drowning struggle Owen twice grabbed Frank and it was with difficulty that the latter saved himself.

It was eleven o'clock before the rescuers were able to find the body and in the meantime the grief-stricken parents had arrived from their home near Damascus. The body was taken to Carlson & Henderson's undertaking parlors at Gresham, where the funeral services were held Monday afternoon.

LARGE PREPARATIONS FOR GLORIOUS FOURTH

Celebration at Gresham Will Eclipse That of Last Year in Every Respect.

The finishing touches are being given to the extensive preparations for the Fourth of July celebration at Gresham. Men are employed clearing up the beautiful grove, well known as Smith's grove. There is a well of fine water on the grounds which has been thoroughly cleaned out.

New seating has been ordered and an addition will be made to the speaker's and musician's stand. Several of the refreshment stands are being constructed and the grounds for the races and sports are being laid off.

Everything possible will be done to make the day enjoyable for the crowds that are expected, and special care will be given to the safety of people and teams.

The committees are experiencing some difficulty in finding men to help in the preparatory work. We suggest that every man who can possibly take a half a day off on Friday, do so and come to the grounds with hammer, saw or ax and help complete the arrangements for the biggest Fourth in this part of the county. With the help suggested everything can be put in first-class shape.

The committee on arrangements for the celebration has reason to feel grateful for the hearty support given by the citizens of the locality and especially so for the generous gift of the Union Meat company, a whole beef; and for the 150 loaves of bread promised by the Butter-Nut Bread company to be served with the meat.
