MOUNT SCOTT

The number of families going from here to the hopfields is not so great this year as usual. Low prices and poor crops have not been a great inducement to pickers.
Mrs. Phoebe Brock has been called East on account of the serious illness of her sister.
Mrs. L. F. Addison has returned from Boston, Mass., where she has spent the summer.
Mrs. Chauncey Sager is expected home soon from a visit to her old home in Iowa which she had not seen for over thirty years.
Ivan Schulenberg, who has been critically ill with typhoid fever for the past five weeks, is slightly improved. He contracted the disease in eastern Oregon where he was at work.
O. R. Addison has cleared his lot preparatory to the erection of a brick business block. The frame building has been removed to a lot in Mount Scott View.
Ralph Rogers of Mt. Scott was drowned September 4th in the Willamette river at a place known as Rocky point about a mile below Independence. He was about 18 years of age, was of good moral character and well liked by everyone. His many newly made friends at the hop fields at Independence extend their sympathy to his bereaved relatives.
Eugene Hammel had a severe attack

of blood poisoning but is much better now.
Mrs. French returned from Salem last Saturday after a three weeks' visit with old friends.
Mr. Tobin is starting another new house on his tract just north of the schoolhouse.
The Duke Brothers have made quite a little improvement to their meat market. All this adds to the neatness of our town.

RUSSELLVILLE
