Rockwood Grange is preparing for its greatest event—the dedication of its new hall. Active preparations are under way for an all-day session on Oct. 17, the day set for the ceremony, to be followed by the dance in the evening. State Master Austin T. Buxton has consented to be present and conduct the ceremony, and he will be assisted by other noted grange leaders. Mrs. Mary S. Howard, state secretary, and J. J. Johnson, state lecturer, have been invited to be present. October 17, being the regular meeting day of Rockwood Grange, the routine business will be transacted before noon and the dedication, which is to be public, will take place at 2 o'clock. All who can come are invited to be present in the afternoon and evening. The hall is now completed, as far as the building is concerned, and is conceded to be one of the finest in the county. Regular monthly socials are held and the grange has announced a masquerade for Thanksgiving eve and a public Christmas tree on Christmas eve. Arrangements are now being made to light the hall with denatured alcohol and the alcohol lamps will probably be installed before dedication day. A handsome street lamp will also be put up in front.

Multnomah Grange, located at Pleasant Home, has bought the Woodman hall at that place and will proceed to finish the building that has stood so long unfinished. The grange was making plans to put up a hall and had bought a lot and some lumber, but the opportunity came to get the Woodman building at a bargain on foreclosure sale and will sell its lot and material. A few hundred dollars is to be raised by the grange and it will have a magnificent home of its own.

Evening Star Grange has appointed a building committee for the purpose of enlarging its already commodious hall. The largest grange in the state, its seating capacity is taxed at any regular meeting and more room is a necessity.

Chisholm is erecting a new grocery building 25x40 and Mr. Forner will put up a barber shop of 25-foot front.

One of the very pleasant affairs of last week was the house-warming given by Mrs. Harriet Ogden Chase in her handsome new bungalow in Bayard addition, Lents, last Thursday afternoon. Each guest brought flowers which were used in decorating the reception and dining rooms.

Mrs. Chase, who is one of the old residents of the Mt. Scott district, was assisted in receiving by Mrs. C. A. Rosenberg. Refreshments were served during the afternoon.

Those present were: Mrs. Harriet Ogden Chase, Mrs. C. A. Rosenberg, Mrs. Zimmerman, Mrs. Head, Mrs. G. A. Brodie, Mrs. H. Brodie, Miss D. Brodie, Mrs. Carpenter, Mrs. Coffman, Mrs. Lowe, Ernest Lowe, Mrs. Clark, Mrs. Morse, Mrs. Kennedy, Mrs. Payne, Mrs. Brayman, Mrs. Carson, Mrs. E. Hansen, Mrs. James H. McKibben, Mrs. Tyler, Mrs. Wight, Mrs. Herschner, Mrs. Harris, Miss Driver, Golda Goodell, Francis Herschner.

On Tuesday evening of this week the many friends of Mrs. J. H. McKibben of Evelyn Park, Lents, joined together in tendering a surprise party on the anniversary of her birthday. Owing to the car service being somewhat bad that evening the guests were greatly delayed in their arrival, but this was soon forgotten when all had assembled. The parlor and porch was hastily decorated with Chinese lanterns, which cast a pleasing and subdued light over the merry scene. Each guest seemed to be at their best and to vie with each other in making it one of the pleasantest functions in the Mt. Scott district.

Mrs. McKibben was taken completely by surprise and for a time was non-plussed. She soon recovered herself, however, and proved herself a most agreeable hostess. The evening was passed in music and games until a late hour. Light refreshments were served, which had been provided by the invaders. There were many handsome presents in evidence as tokens of good will and best wishes from her friends.

Those present were: Mr. and Mrs. John D. Mergens, Mr. and Mrs. D. H. Brown, Mr. and Mrs. Geo. W. Turner, Mrs. Clara Kinsey, Mrs. Anna Baker, Mr. and Mrs. Jas. H. McKibben, Miss Eva Kinsey, Miss Helen Mergens, Magdaline Mergens and Alfred Mergens.

Mr. Lock recently sold his property on Stella street and is now living in the Brady house. A new house is being built upon one of the lots Mr. Lock sold.

Mrs. French, who has been sick for some time, is much improved at this writing.

Mrs. Bertha Gifford, aged 38, a daughter of Mr. Gifford, died on Friday at her home in Island. Mrs. Gifford was sick several days and her death is especially sad as she leaves four children, the youngest being but 14 years of age. Her funeral will be held on Saturday, at 10 o'clock.

Mr. Hotchkiss and son have returned from hop picking.

The work on the Grange hall is progressing nicely, but has been delayed some on account of not being able to get the gravel fast enough. The Women of Woodcraft are showing great interest in Woodcraft having a new hall by subscribing for a share of stock.

Mrs. Miller of Woodmere has gone to Pendleton to remain for the winter.

Miss Grace Morrill will begin her school, six miles north of Hillsboro, on next Monday. She has been engaged to teach a five months' term.

Mrs. Hoeflein of Yaquina is visiting her sister, Mrs. Price.

O. A. Richards and C. A. Marcy of Portland were callers Thursday. They are both musicians and will take a place with the Gresham Concert Band during the fair.

Wm. Bridge and M. C. Donahue, both old time and respected citizens east of Gresham, were pleasant callers Friday.

There will be no band concert Saturday night. The Gresham Concert Band has been appointed administration band for the coming fair.

GOOD NEWS FROM THE BUTTE BOYS' MINING CO.
The item in last week's Herald relative to the Butte Boys' mining properties has been justified by further developments and the great interest shown by a large number of prospective investors. Daily reports reach Mr. Bramhall which are supported by the papers that arrive from the Goldfield district. It is now expected that carload shipments may be undertaken in ten days. A meeting of stockholders and mining men was held at Drew Hall, Portland, Wednesday evening. Over two hundred persons were present. Standing room was at a premium. Great interest was shown. It is now planned to invest more capital for development purposes.

The company will have a large display of its best ore on display at the Grange Fair next week. Any and all questions may be asked and answered satisfactorily at that time. Mr. Bramhall and Mr. Purcell will be in charge.
