ing Good Progress in Sale of Stock.

The Butte Boy's Consolidated Mining Company have been represented at the fair by J. N. Bramhall and J. B. Purcill. Their booth has been nicely planned and attracts a number of interested persons all the time. They make their first shipment of 10 tons of ore Saturday. Mr. Bramhall says over 20,000 shares have been sold and a large number of buyers are in prospect. Complete plans, maps. circulars, pamphlets and description may be had for the Tuesday evening the members of the Miss Gladys Riches will spend Satur- asking, and all questions relative to investments will be cheerfully answered.
