summer, and thatwill be a credit to the state. It would seem that this plan ought to be supported by the farming districts of the state.

Employment of convicts on road work in the southern states has been successful and might be done in Oregon. The hill to enable counties to issue \$500,000 in bonds for road construction does not mean that they shall issue that amount, Herald and Weekly Oregonian, 1 year, brt that they are to have the power to Special price \$1.75 (Regular price \$3). lo so. This good roads movement is of vast importance to Oregon and ought to eceive attention everywhere.

In some of the states of the Union an fort is being made to organize a movepent to uave the central government mild interstate roads' and success is enerally being met with. It is held hat the general government should ouild interstate roads as well as improve arbors and waterways. As all these questions will be considered the next w years in Oregon, it would be well or farmers and citizens to fnform themseives and be prefarrd to act intelligently. Certainly, good roads will cost money, but this state must have them.

Christmas

What would afford you more pleasure a your home Christmas Day than musin your home Christmas Day than music and story and song? Music gives to the home an atmosphere which nothing else can supply. Your children will be better, brighter and happier if they sing and play. Mother and father will likewise be happier. Music indeed has charms—power to drive "dull care away." We suggest a piano, a player piano or a Victor Talking Machine for a Christmas present for the whole family. A new piano will find its way intyour home if you will bring us but \$10 cash; a player piano if you will bring us \$25 cash; a Victor Talking Machine if you will pay only \$5 cash and \$1 per week. Why should you be without music this Christmas Day and all the days of 1909? days of 1909?

This is a personal invitation for you to call and see and hear our pianos and Victor Talking Machines.
