When summer has passed in these northern states, the sun is only mild under the bright blue skies of Southern California. This is one of nature's happy provisions-eternal summer for those who cannot endure a more severe climate.

California has been call-ed the "Mecca of the winter tourist." Its hotels and stopping places are as varied as those of well regulated cities. Visitors can always find suitable accommodation, congenial companions, and varied, pleasing recreations

# SOUTHERN PACIFIC CO

Will be glad to supply some very attactive literature, de-scribing in detail the many deligts of winter in California. Very low round trip excursion tickets are on sale to California. The rate from Portland to Los Angeles and return is

#### \$55.00

Limit six months, allowing stopover priveleges in either direction. Similar excursion rates are in affect to all California points.
