Chamberlain's Cough Remedy the Most Popular Because it is the Best.

"I have sold Chamberlain's Cough Remedy for the past eight years and find it to be one of the best selling medicines on the market. For babies and young children there is nothing better in the line of cough syrups," said Paul Allen, Plain Dealing, La. This remedy not only cures coughs, colds and croup so common among young children, but is pleasant and safe for them to take. For sale by Gresham Drug Co.

Dissolution of Partnership.

Reason Enthroned.

Because meats are so tasty they are consumed in great excess. This leads to stomach troubles, biliousness and constipation. Revise your diet, let reason and not a pampered appetite control, then take a few doses of Chamberlain's Stomach and Liver Tablets and you will soon be well again. Try it. For sale at Gresham Drug Company's store. Samples free.

POWELL VALLEY

A very pleasant surprise was given Mr. and Mrs. C. P. Johnson on the 22d of February, the occasion being their "tin wedding." Twenty-five intimate friends were present. A pretty tea-set was given as a token of friendship.

Has Proved a Hit.

Homer Davenport's story of his boyhood life in Oregon, which began in the January issue of 'Human Life' has made the hit of the season and Mr. Davenport has added to his reputation as a humorist and cartoonist. The articles are highly illustrated. It will pay you to read it. See Herald special offers on page 3.

A Common Cold.

We claim that if catching cold could be avoided some of the most dangerous and fatal diseases would never be heard of. A cold often forms a culture bed for germs of infectious diseases. Consumption, pneumonia, diphtheria and scarlet fever, four of the most dangerous and fatal diseases of this class. The culture bed formed by the cold favors the development of the germs of these diseases, that would not otherwise find lodgment. There is little danger, however, of any of these diseases being contracted when a good expectorant cough medicine like Chamberlain's Cough Remedy is used. It cleans out there culture beds that favor the development of the germs of these diseases. That is why this remedy has proved so universally successful in preventing pneumonia. It not only cures your cold quickly, but minimizes the risk of contracting these dangerous diseases.

STOVER GASOLINE ENGINES

From 2 to 50 Horse Power

Simply start the Stover and then go on with your work, the Stover will do the rest. It is the most simple gasoline engine made. It consumes very little gasoline in comparison to power furnished. Stover engines develop full rated power. They are water cooled and have a make and break spark system. The Stover is easy to keep in running condition and a man doesn't have to be a mechanic to understand successfully how to operate it.
