## PLEASANT VALLEY

Mrs. Hall, who formerly lived in  
Pleasant Valley, passed away in Eastern  
Oregon last Sunday. She had gone  
there about a month ago in hopes of  
getting relief from a dangerous throat  
trouble but it was too late for a cure.

J. M. Ewing is getting ready for the  
spring rush in the well-digging business  
by having constructed a larger derrick  
equipped with cogs giving leverage  
enough to enable one man to handle a  
weight of twelve or fifteen hundred  
pounds at a depth of a thousand feet.  
It will also have a spring-pole for drill-  
ing purposes.

Pleasant Valley will soon have the  
service of a Sunday newspaper carrier.  
Noah Kesterson had the misfortune  
to injure his foot while loading ties at  
Sycamore station last week.

G. N. Sager has gone to Walla Walla  
on business this week.

Gus Richey made good use of the fine  
weather this week, spraying his orchard.

The lights burn every night now,  
at the station except when some team-  
sters try to drive through the building and  
takes out the fixtures.

The Push Club held another red-hot  
meeting Wednesday night. The princi-  
pal matters of business transacted were  
the collection of dues by the secretary  
and an address by T. R. Berry, the  
silvery-tongued orator, on "Dreams." He  
spoke very vividly of the past and  
future of Oregon and especially of Pleas-  
ant Valley. Mr. Berry is preparing  
another address for the near future and  
no one should miss it.

L. H. Felt has sold his place to Ernest  
Harrington of St. Johns. The transfer  
was made on Wednesday of this week.

Don't forget that the Push Club meets  
in the Grange hall every Wednesday  
night. Everybody invited.

### GATES CROSSING

Several persons in this vicinity have  
been the victims of some one who has  
a mistaken idea that the world owes  
him a living and that all he has to do is  
to pick it up even if he finds it in some  
other man's barn, apiary or hen house.  
Joseph Conway is the latest victim.  
Several days ago, on going to his barn  
he found that two sets of harness had  
vanished during the night.

Mr. Harrison reports that the coyotes  
have made him some very unwelcome  
visits lately.

The young people are preparing for a  
basket social to be held at the Gilbert  
school house Saturday evening. The  
proceeds are to go to the ball team.

Quite a number attended the party at  
the home of F. L. Cole Saturday night.

Rev. Ingalls is expected to return  
home in time to fill his pulpit Sunday  
afternoon. He has been absent for  
some time and his congregation will  
welcome him back.

Mr. Ayres and family have moved  
onto the Hannigan place about a half  
mile east of the station.

Miss Marguerite La Mear and Miss  
Ethel Barrick attended the lecture on  
Tuesday evening at the First Presby-  
terian church, given by Dr. W. T. Gren-  
fell, the medical missionary to the fish-  
ermen of Labrador.

People let their sink pots empty on  
ground near their wells and then won-  
der where they or their children "could  
have caught diphtheria or typhoid fever."

### An Ideal Cough Medicine.

"As an ideal cough medicine I regard  
Chamberlain's Cough Remedy in a class  
by itself," says Dr. R. A. Wilschire, of  
Gwynneville, Indiana. I take great  
pleasure in testifying to the results of  
Chamberlain's Cough Medicine. In fact,  
I know of no other preparation that  
meets so fully the expectations of  
the most exacting in cases of croup and  
coughs of children. As it contains no  
opium, chloroform or morphine, it cer-  
tainly makes a most safe, pleasant and  
efficacious remedy for the ills it is in-  
tended." For sale by Gresham Drug  
Co.

### Ed. Williams Passes Away.

Edward Williams, a native of east  
Multnomah, died at Chico, California,  
where he had gone for his health, on  
March 7 and was buried from the Meth-  
odist church here, Thursday, March 11,  
at 2 p. m. Rev. Paroungian conduct-  
ing the services.

Deceased was born near Gresham  
June 11, 1881 and was 27 years and 9  
months old. His parents, T. K. and  
Eliza Williams are both dead. He is  
survived by eight brothers, one sister  
and his stepmother, Mrs. Amanda Wil-  
iams.

He was an up-right young man, a  
good neighbor and citizen, true to his  
country and the flag we love best. Many  
friends are left to mourn his death and  
extend their sympathy to the bereaved  
family.

### Weekly Oregonian and Herald only \$2

### Everybody's Magazine for March.

Under the title, The Stock Yards of  
New York, John Parr presents an inter-  
esting article about the stock market  
and its manipulation. It is illustrated  
with a number of cartoons that very  
neatly show the attitude of the money-  
crats to their victims. C. B. Taylor  
writes about The Africa That Roosevelt  
Will See, and illustrates it with some  
very timely photographs. There are a  
number of good stories, The Postponed  
Romance being particularly humorous  
and the Octopodous Forax a striking  
example of the products of scientific  
selection.

### Stiff Neck.

Stiff neck is caused by rheumatism of  
the muscles of the neck. It is usually  
confined to one side, or to the back of  
the neck and one side. While it is often  
quite painful, quick relief may be had  
by applying Chamberlain's Liniment.  
Not one case of rheumatism in ten re-  
quires internal treatment. When there  
is no fever and no swelling as in muscu-  
lar and chronic rheumatism, Cham-  
berlain's Liniment will accomplish more  
than any internal treatment. For Sale  
by Gresham Drug Co.

### Davenport's Story.

"Human Life" for February is out  
with another installment of Homer  
Davenport's story of his early life in  
Oregon. Every Oregonian should read  
it. See our Combination Offer on an-  
other page.
