Rheumatism.
More than nine out of every ten cases of rheumatism are simply rheumatism of the muscles, due to cold or damp, or chronic rheumatism. In such cases no internal treatment is required. The free application of Chamberlain's Liniment is all that is needed, and it is certain to give quick relief. Give it a trial and see for yourself how quickly it relieves the pain and soreness. The medicines usually given internally for rheumatism are poisonous or very strong medicines. They are worse than useless in cases of chronic and muscular rheumatism. For sale by the Gresham Drug Co.

MONTAVILLA

Miss Leonora Makelm assisted in the entertainment at the gymnasium club rooms Wednesday evening.

The entertainment given by the Catholic young women was indeed a great success. The way it was advertised shows that there were hustlers on the advertising committee.

Mrs. Grace La Follette sang a solo, "Swallows," in her usual good voice.

Mr. Moore, who purchased Mr. La Follette's grocery stock recently, seems to be the right man in the right place.

Mrs. Harris and daughter have recently moved to Montavilla from Omaha. They like our suburb fine.

Mr. and Mrs. Edwards, of Salem, have been visiting Mr. E. B. Morelock and family during the past week.

The Grace Church Society has started a novel way of raising the money to pay for the lots they recently purchased. Five hundred shares at fifty cents a share will be sold. In this way we may all be stockholders.

Houses are rapidly being built in all parts of the Villa, and it is said
