FIRST MARKET DAY A SUCCESS

Some Eating, Some Trading And Fine Weather Make Day To Remember.

The first market day for Gresham has passed and gone. But its impression will not be forgotten. The day was memorable from several reasons. The weather was superb. It would not have been half so good if it had been ordered by the managers themselves. Just cool enough to be pleasant; sunshiny, without being hot. Ideal for any time or place. And the crowd came. They came from all directions and places. They came to see, to enjoy and to do some trading. The merchants did their parts, cut their prices on a goodly number of things and the spirit of the town was to make the day satisfactory to all that came. The only thing that seemed lacking was the number of articles offered for sale. But there were a large number of horses, cows, pigs, colts and several pieces of farm machinery that gave the sale a wide range and should have found plenty of ready buyers and in general the sales were satisfactory. It was a lesson for all and next time it is hoped that a still larger and more varied array of salable articles will be on hand.

The big free dinner at the Grange Hall passed off fine, with a good balance of food left over, evidencing the fact that those who provided this part of the day's program were not underrating their responsibilities. The ball game proved a good feature, but it is questionable if it was not begun a little too early in the afternoon.

It has been pretty well advertised already that the first Wednesday in June will be the next market day. Let us all get together and see if that one cannot be even more successfully handled than this one. Begin early to consider what you can offer.

Mr. Maurice Collins, who has been spending a few weeks with the home folks, has returned to his ranch in eastern Washington, and James Collins has returned home from his ranch in that section of the state for a few weeks visit. He reports the crops looking well.

Oregon Pioneer Goes East.

W. G. Cathey, an old-time resident of this section who has lived on the old Cathey farm at Cedarville since 1853, left for a six month's visit with relatives in the East, Monday of this week. He is accompanied by his two brothers, John Cathey, of Humboldt County, Cal., and Robert Cathey, of Leeton, Missouri. After being separated from his two brothers in the west for over 55 years, Robert Cathey came west a few months ago to visit them and other relatives. While in Missouri the three brothers and their only sister, Mrs. Mary Epperson, of Leeton, Missouri, will hold a reunion. Of a family of nine, only four are living.

Mr. Cathey will visit his daughter, Mrs. John Labue, of Greenville, Ill., who is well known around Gresham. A few of Mr. Cathey's children and grandchildren spent Sunday with him at the home of his daughter, Mrs. S. C. Jones, of Cedarville. Those present were Robert Cathey, of Leeton, Mo.; John Cathey, of Briceland, Cal.; Dr. B. A. Cathey and wife, of Corvallis, Ore.; Miss Marie Cathey, Miss Evelyn Cathey and Collie Cathey, of Corvallis, Ore.; Dr. George A. Cathey, of Portland, Miss Mary Cathey, of Portland, and Clarence D. Cathey and wife of Gresham.

Preaching at Baptist Church.

There will be preaching services both morning and evening, Sunday May 9th, in the Baptist Church. F. Elmo Robinson, Christian minister from Portland will conduct the services. All are cordially invited to attend.

Card of Thanks.

I hereby wish to express my sincere thanks to the members of the Odd Fellows and Woodmen lodges, and to the kind friends and relatives, for their many kindnesses and sympathy during my late bereavement.

Mrs. H. W. GOEBB.

FAIR DATE POSTPONED ONE WEEK

Account of Other Fairs.—State Appropriation of \$500 Now Ready. Big Plans.

Last Monday was the regular meeting time for the Fair Board to meet. A good attendance was present and considerable work was accomplished. After considerable discussion it was decided that owing to the interference of the stock show at the Alaska-Yukon-Pacific Exposition that it would be best to hold our fair one week later. The season is somewhat backward and that seemed a good reason why such a delay would be advisable. A discussion of the needs of the association was then taken up and it was estimated that a new poultry building would be necessary, better horse sheds and pens for other stock.

A letter from the Secretary of State informed the directors that the appropriation from the state was at the association's disposal and would be ready for them at the appointed time if the necessary acknowledgments are made. This appropriation gives the association \$500, which will be used to apply on the premium list for this year, and a like amount will be allowed for next year.

For this last assistance much credit is due to Mr. B. G. Altman, who worked so faithfully at the last legislature for the appropriation. Some persons have questioned the advisability of state aid for such enterprises. But since the purpose of this association was and is the holding of the fair for the public benefit, Mr. Altman did just what some other representatives did—looked to the interest of his own section, while at the same time advising the expenditure of state money for an enterprise that could not help to do the entire state good. While Mr. Altman has never had public credit for the favor, he may be sure he has the appreciation of the entire association and the community at large should feel likewise.

GRESHAM LOCALS

Mrs. Stoker spent Wednesday in town looking after her property. She has rented her property south of the hotel to a photographer.

About ten carloads of potatoes have been shipped from this point during the past week. The price is now at the top notch. A Portland daily said a week ago that there were not more than forty carloads in the state in the hands of the farmers. Powell Valley is the great potato growing section.

The Ben Halstead 20-acre tract near Damascus has been sold to Ed Webb, who comes to this section from the White Salmon country in Washington. The sale was made through the Gresham Real Estate Co.

W. Proctor Injured.

W. Proctor, of Kelso, met with an accident Thursday afternoon of last week that nearly cost him his life. Jonsrud Bros. were having their donkey engine moved to their mill. Mr. Proctor came driving along the road and crossed the cable and drove over to the side of the road. He then got out of his wagon and started to walk back across the cable, when the stump to which it was fastened broke, the cable striking him on the thigh and hurled him about 40 feet against a fence, cutting a big gash on his head and bruising his leg badly. He is getting along as well as could be expected and will no doubt recover in a few weeks.

Roberts Avenue to be Improved.

At the Council meeting on Tuesday it was decided to construct sidewalks on South Roberts Avenue. A petition signed by the property-holders will be presented at the next meeting and then arrangements made for the work.

J. H. T. Thatcher and son, J. Thatcher, were arrested on Thursday by Marshal Gullickson for peddling hams without a peddler's license. When brought before Recorder Roberts they made various excuses and plead guilty. A fine of \$5 was assessed on each. The father paid up and the son left town on a suspended sentence.

E. P. Smith goes to Welches Sunday to gather rhododendrons to supply the trade in this vicinity. Mr. Smith is making Gresham famous as a nursery town and produces first-class stock.

About fifty renewals and new subscriptions were received on Market Day at The Herald office. The names make a long list of loyal, progressive supporters of the popular home weekly. It pays to be alert and seize the opportunities when they come. Don't fail to stand by that most necessary factor in the up-building of a community—the local newspaper.

E. F. Heillere and wife have rented rooms and will take up their residence in Gresham early next week. Mr. Heillere is the engineer who will take charge of the Gresham Oil and Gas Developing plant at this place.

Word has been received by Mrs. Hanson that her sister, Miss Stella Alexander, has been taken quite sick and is now in the hospital at Spokane.

Mrs. H. N. Weinhirter is reported to be quite sick.

Mrs. B. W. Emery and son, Mack, visited Mrs. Nangle at University Park last Sunday.

The Fair which was to have been given by the Ladies Aid Society, has been postponed for the present.

Don't forget the lecture tonight at the M. E. Church by Dr. Benjamin Young, pastor of the Taylor Street M. E. Church at Portland. Dr. Young is one of the most fluent and logical speakers in the northwest and every citizen of Gresham should avail themselves of this opportunity to hear him.

COMMERCIAL CLUB WELL SUPPORTED

Much Interest Shown in Market Day Plans. Decided To Make Monthly Event.

It was thought by some that on account of the Council meeting on Tuesday night, the meeting of the Commercial Club would be abandoned for that evening as several officers of the League are also councilmen and the League meets in the town hall. But nothing could check the interest in the movement for a bigger and better community, especially on the eve of Market Day. There was a big meeting and everyone present was a booster.

Brief reports were made on various matters now pending, but everything was secondary to Market Day which was to come on the morrow, the first in this locality. The Ways and Means Committee reported that about \$40 had been collected from the business men and others to defray expenses of entertainment on Wednesday.

The questions of the day and frequency of holding the Market were thoroughly discussed and Wednesday was decided as the best and once a month for the present. Saturday was considered but as the main object of the day is to get people to bring things to sell and it is hoped to have buyers for all kinds of produce, it was thought that a reader market would be found in the middle of the week. If Saturday were chosen, any produce that was unsold would necessarily have to be carried over to the next week.

Wednesday, June 2nd, is the date for the next Market Day.

B. W. Emery was selected as Clerk of the first event, May 5th. It is urged that articles for sale should be listed with the Clerk of Market Day as early
