Chamberlain's Liniment.

This is a new preparation and a good one. It is especially valuable as a cure for chronic and muscular rheumatism, and for the relief from pain which it affords in acute inflammatory rheumatism. Those who have used it have invariably spoken of it in the highest terms of praise. Lame back, lame shoulder and stiff neck are due to rheumatism of the muscles, usually brought on by exposure to damp or cold, and are quickly cured by applying this liniment freely and massaging the affected parts. Soreness of the muscles, whether induced by violent exercise or injury, is allayed by this liniment. For sale by Gresham Drug Co.

 M. L. & R. Co., Portland, Oregon.
 Gentlemen: In regard to your Champion Mowers, they have given me every satisfaction. No matter if the grass be heavy or light, I consider them superior to any other machine made for the same purpose. I bought one seven years ago, and I cut all of my own hay, besides a good deal outside, and I sold it last summer for \$20. Will buy another next summer of the same kind. They are strong and durable, and no repairs to speak of.
 Truly yours,
 L. A. JOHNSON.
