There is no danger of blood poisoning resulting from an injury when Chamberlain's Liniment is applied before the parts become inflamed and swollen. For sale by Gresham Drug Co.

Don't everlastingly be trying to impress upon your children the fact that you are making a great sacrifice and wearing your life away for them. It makes them wish they had never been born. True parental love modestly conceals the sacrifice of self and thus inspires love, devotion and self sacrifice on the part of the child.—Rural Spirit.
