Clackamas County GLEANINGS

KELSO

Mr. and Mrs. John Nelson have returned from their wedding trip. They spent twelve days visiting the Fair at Seattle and neighboring towns. They will take up their abode on their place near here and be at home to their many friends after Sept. 1.

A large and appreciative audience attended the lectures given by Rev. Jas. Corby on Sunday afternoon and evening at Jonsrud's hall.

J. C. Patterson and wife have returned from Seattle, Tacoma and the coast.

Rev. Exon will preach here Sunday evening, Aug. 22, at 8 o'clock.

Anton Jeger, who was operated on for appendicitis last Thursday, is doing nicely.

Misses D. Kozman, M. Ostermoore and F. Patterson of Portland were the guests of their sister, Mrs. J. C. Landrie, over Sunday.

S. B. McKinney has improved his place by a chicken house and well.

Our busy merchant, R. E. Jarl, has gone to Seattle to attend the Exposition.

On July 1st the many friends of Mr. and Mrs. August Dietl of Wausaw, Wis., were made joyous by a visit from them and their two charming and accomplished daughters, Misses Julia and Florence. Mr. Dietl took up 80 acres of land near here some 35 years ago, settling there soon after marrying. Their house was built of logs and consisted of one room. By hard labor and economy they managed to clear 10 acres of ground and started the foundation of a home, also laid by money enough to visit their relatives in Wisconsin where Mr. Dietl went into the grocery business and in which he has been ever since. He now owns one of the oldest and most prosperous establishments in Wausaw. During their visit here they renewed several old acquaintances and made several new ones. Their many hostesses declared this family most easy to entertain owing to their high sense of adaptation, fitting themselves readily to circumstances. The home of Mr. A. Hertz was their principal stopping place and they noted with delight the change from the little log cabin occupied by the Hertz's 25 years ago to the large, neat new house they now live in with its well kept walks, spacious lawns and spreading shade trees. It was interesting to hear Mr. and Mrs. Dietl tell of hardships and inconveniences they went through here 30 years ago. They have prospered well and instead of the one room log house they now own and occupy a large 15 room brick building. It was with the deepest regret that we bade our jolly friends good bye on Saturday, Aug. 14. We realized that we would miss those charming duets sang by the girls beneath the spreading cherry tree. We will miss their joyous laughter as they joined us in our many walks and drives and our young men will miss them as

partners at their dances. But we hope some day to see them again. Miss Julia has promised to return next spring. Twelve children have blessed the marriage of Mr. and Mrs. Dietl of whom seven are living, but sorrow and business worries have not dimmed their memory or taken from them their joviality and youth, and though there are "silvery threads among the gold," in manner they are as companions to their children. They were almost persuaded to build a cottage on their farm here and continue their stay out here, as they think there is no place like Oregon. They have the well wishes of all for a pleasant journey home and should they or theirs return, they will receive the warmest welcome.

Mr. Morrison, a timber cruiser from Portland, and a companion had a serious accident as they were returning from inspecting some timber in the Cascade Forest Reserve. The buggy tongue dropped on the ground and caught under a log and threw both men out, breaking Mr. Morrison's nose and bruising them up badly. They are both in the hospital at Portland. Mr. Morrison claims to be a son-in-law of Secretary of the Interior Ballinger.

FAIRVIEW

Fairview, Or., August 18.—The bandits, who worked so strenuously in the Sun-Dial feed mill here early Sunday morning, labored in vain though they were successful in blowing open the safe, a piece of unnecessary work as the door was unlocked and a notice to that effect posted on it, which the bandits either overlooked or took for a bluff. No money is ever kept in the safe which is kept only for the safe deposit for valuable papers. These were scattered all over the office but none were defaced. No clue for detection was found.

The Sun-Dial ranch have let a contract to Axtell & Cree to raise their present mill building and to build an addition 34 feet by 140 feet. This will make it more convenient in loading cars and will give them increased storage room which they have felt the need of for some time. They will also put in new machinery which will treble their capacity.

I procured a bottle of it, went home as quickly as possible and gave the baby a dose of the remedy. It relieved her in 15 minutes and soon cured her entirely." For sale by Gresham Drug Co.
