A Sprained Ankle.

As usually treated a sprained ankle will disable the injured person for a month or more, but by applying Chamberlain's Liniment and observing the directions with each bottle faithfully, a cure may, in most cases, be effected in less than one week's time. This liniment is a most remarkable preparation; try it for a sprain or a bruise, or when laid up with chronic or muscular rheumatism, and you are certain to be delighted with the prompt relief which it affords. For sale by Gresham Drug Co.

GATES CROSSING.

A. J. Oldenburger and his sons, Lonie and George, left last Friday for eastern Oregon where they have taken a contract to do some grading on a new railroad.
