MOUNT SCOTT

Dr. and Mrs. Richmond of Ohio visited with their cousin, Jasper McGrew, Sunday on their return from Seattle.

John Watt and wife of Alameda, Cal., are the parents of a baby girl, born Sept. 9. Mrs. Watt was formerly Miss Cathie Anderson of Lents.

Little Miss Fern Lee was given a surprise Monday afternoon by 12 little girls. The occasion was her 8th birthday. A nice luncheon was served and she received several presents.

Earl Good is suffering from a relapse and it was found necessary to re-employ his former nurse. Mrs. Tyler, another typhoid patient is very low while Mildred Allen continues to improve.

Lents school opened Monday with 451 pupils present. This exceeds the attendance of the first day last year by 103. Three new teachers were employed, making a total of 14, Misses Kulin, Zeigler and Sansum being the new ones.

The movement to incorporate Lents is still alive. Some of our influential citizens are back of it. The next move will be to establish a sample room on one corner, a "12-mile house" on another.

An entertainment and ice cream social will be given at the library room in the Hamilton building across from the Evangelical church. The existence of the library is at stake. For all the efforts of Mrs. Addison, Mrs. McKinley and Mrs. Coffman the membership fees are not sufficient to keep up the library. It does not speak well for the town; 4000 people and 500 school children and cannot raise the money to support the best institution that can be located in any community, and that is not over \$150 per year! Every business man in town should put down \$5 and so should every man of a family. What other influence could be brought to town so beneficial to its youth and to public morals? It is a credit to the town and a constant advertisement of the spirit of the town and the progressiveness of its people. To close it up would be a decided blow to the advancing spirit of the community and a shame to our people. Come out on Friday evening, and not only come, but get others to come.

Mr. and Mrs. Perry Wicham are visiting the Seattle fair to be gone ten days.

The mill at Fairview will roll or chop your grain while you wait.

MICHAEL J. FANNING
The Noted Irish Temperance Orator of Philadelphia, who will speak at the Methodist church next Monday night, Sept. 20th.

Mr. Fanning is one of the foremost orators of the land,—witty, logical and eloquent. It is a rare treat to have such a man speak in Gresham and the large, well lighted church should be crowded to the doors. There is no charge for admission.

GRESHAM LOCALS

Thomas Ginder and wife and daughters, Lillian and Mrs. Harms, will start tomorrow on a journey to Iowa where they will visit Mr. Ginder's brother, James, at Ackworth, Iowa. They will be away several months and visit at other points before returning.

Our people have returned from the mountains and seacoast and all report a delightful time spent at these resorts. Mr. and Mrs. Geo. Sletet and John Roberts and family came in from Welches and Mrs. Leslie and Mrs. Alva Hevel returned Saturday from Seaside.

A party of Gresham young people out "joy riding" last Monday night met with an expensive but not harmful accident on the Fairview road. The bridge near the Ed Cummings place had been torn out and the auto driven by Lon Pugh ran into the opening. A drop of about three feet about the length of the auto brought them to a sudden halt. No one was hurt but the machine, of the Carter type, was badly damaged. The signals were not seen or at least not understood.

Mrs. Emery and Mark went this week to Eugene where Mark will enter as a freshman. Mark is a last year's Gresham high school graduate and great things are looked for from him. He is a thoroughly good student and an all round athlete.

Mrs. Gust Larson has returned from the Good Samaritan hospital where she recently underwent a minor operation.

H. A. Kent died at his home in Gresham early Thursday morning. The funeral services will be held at the Carlson's Chapel Saturday afternoon at 2:30 and burial will be in the Gresham cemetery. Mr. Kent, who is the father of Mrs. S. P. Bittner, had recently moved here from Portland. He was born in England nearly 70 years ago. On last Thursday morning he went into the garden to do some work and suddenly fell over and expired.

Harry Huxley and Tom Bell have gone to the hopfields for a short outing.

Miss Helen M. Hoss and brother from Fort Dodge, Kan., are visiting their uncle, J. H. Hoss and family.

A. C. Browning has accepted a position as filer with the Straus Lumber Company at Sandy.

Earl Thompson is wiring several houses for lights, among them being those of Mr. Oliphant, Theo. Brugger, and O. W. Tarr. Earl will soon go to California to attend a school for electricians.

Rev. M. B. Paroungian left early this week for the session of the Oregon conference which is held this year at Cottage Grove. The conference will probably close next Monday.

J. C. Metzger, who has spent the past three months visiting relatives in Gresham, started for his home in Ohio last Tuesday morning. On Monday evening forty Metzgers gathered at the home of J. W. Lawrence for a farewell party. A very pleasant evening was spent, ice cream and cake being served. All departed after wishing Mr. Metzger a safe and pleasant journey home and hoping he may again visit his Oregon relatives.

There will be no preaching in the Methodist church next Sunday, but the Sunday school will be held as usual at 10 a. m.

The Herald force acknowledge the treat of some fine Gravenstein apples from J. H. Wood. Mr. Wood marketed some very fine apples in Gresham this week.

H. C. McGinnis of Troutdale is in town on Saturday. He is recently from Kalamazoo, Mich., and with John Brown, also from Kalamazoo, is growing celery near Troutdale. He has three acres of very fine celery which he is now beginning to market. The Herald acknowledges a fine sample.

George H. Hariburt was in town last Saturday. He is in partnership with his brother, John, in surveying and civil engineering with offices in Portland. Their card appears elsewhere.

MORAL: Join the Crowd.

Bulletin No. 1

I HAVE ONE REQUEST to make of the people of Gresham and all who read the columns of this paper and that is that they watch this space for my announcements from time to time and that they compare my offers with those of others and then that they come in and compare the goods advertised with the goods in stock. If they will do this but once I am positive they will be my customers in the future. Those who know me best and my methods of doing business will testify that I do as I advertise. The fact that there are many who have stood by me for the past sixteen years is good testimony that this is the "House of Quality Goods" and honest dealing.

The following letter is one of many expressions of our satisfied customers with reference to one of our Hardware Lines and if you will watch this space we will produce others from outside of Gresham testifying to other lines of goods.

BORING, ORE., Sept. 4, 1909.

Friend John,
Fairview, Oregon.
Dear John—I was over to Shattuck's at Gresham this morning and while there among the many other bargains that were shown me was the FRISCO LANTERNS. The general makeup of these goods appealed to me at first sight and I purchased one of the copper bottoms at \$1.50 and it is a dandy. You had better go right over and get one before they are all sold.
Yours sincerely,
BILL.
P. S.—There was a hard wind blowing tonight but the light never flickered.

THAT WATCH OF YOURS

has needs just as much as you have. You need cleaning and fixing up once in a while, and so does your watch. About once a year the proposition of cleaning and oiling that watch comes up. It's then that you want to think of me. The treatment accorded a watch is just the same whether it is the best or the poorest make—that is, the best attention is given it. FLORA is an expert in handling watches. Let him fix up your time-piece.
