Friends of Fred B. Chapman, son of Henry Chapman of Lents, were sadly surprised to learn that he had died at Salem on Monday of catarrhal fever. Fred was well known at Lents where his parents and other members of the family reside. He has been an active member of the younger set that has been so prominent in the work of the Evangelical church. He has lived with friends at Woodlure for several years. At the time of his death he was a student at Willamette University. Having been ill for several days he sent word home to have them come get him, but for some reason the letter did not reach his people until too late. Fred was one of the best young men of the neighborhood. Exemplary in every way; quiet, of good habits, industrious and generally regarded with favor. The funeral was held Thursday at the Evangelical church after which interment was made at Multnomah cemetery. He leaves to mourn his loss, his father and mother, three brothers and three sisters, who have the sympathy of many friends and acquaintances.

Good Cough Medicine for Children and Grown Folks, Too.

"We could hardly do without Chamberlain's Cough Remedy," says Mrs. Flora Despain, of Bloyd, Ky. "I found it to be so good for the croup and have used it for years. I can heartily recommend it for coughs, cold and croup in children and grown folks, too." The above shows the implicit confidence that many mothers place in Chamberlain's Cough Remedy, a confidence based on many years' experience in the use of it. No one need hesitate to use this remedy for it contains no chloroform, opium or other narcotics and may be given to a child as confidently as to an adult. For sale by Gresham Drug Co.
