THAT WATCH OF YOURS

has needs just as much as you have.
You need cleaning and fixing up, once
in a while, and so does your watch.
About once a year the proposition of
cleaning and oiling that watch comes
up. It's then that you want to think
of me. The treatment accorded a watch
is just the same whether it is the best
or the poorest make—that is, the best
attention is given it. FLORA is an ex-
pert in handling watches. Let him fix
up your timepiece.
