## GRESHAM LOCALS

Miss Eva Anderson, daughter of Mr. and Mrs. Emanuel Anderson, was united in marriage Tuesday evening to Mr. Harry Price of Portland, the pastor of the Swedish church of Powell's Valley officiated.

Frank Heiney is making a valuable improvement on his lots on Roberts avenue.

A neat folder, descriptive of Gresham and the locality, has just been issued from the press. Call and get some to send to friends in the East or order from the secretary of the Commercial Club.

Lewis Shattuck is building a garage of cement blocks. Doane Brothers have supplied the blocks. It will be the first concrete block building in town.

W. R. Johnson, who last spring bought the Harvey place, will soon leave his Wisconsin home to reside here. Mr. Johnson spent a few weeks here last spring visiting Fred Fieldhouse.

Fred Fieldhouse is finely located in his new rooms in the bank building. He is exhibiting some artistic calendars with local mounts just now.

Mrs. M. Ball, of Cottrell, writes from Gibbon, Neb., telling of an improvement in health and ordering her Herald sent to Azalia, Mich.

Mark Emery came home from Eugene and Miss Ruby from Portland to spend Thanksgiving. Hope Meyers also returned from Eugene to spend the week-end vacation.

Rev. S. G. Bettes will preach here at the Baptist church this evening and at the M. E. church Sunday morning.

W. A. Proctor of Sandy was in town Friday morning.

At the taxpayers mass meeting last Monday night in Regner's hall at which D. S. Johnson presided and W. E. Wood acted as secretary, the following were nominated for councilmen for Gresham on the taxpayers ticket: B. Mathews, G. W. Kenney, W. E. Wood. Lewis Shattuck was endorsed for mayor. There was a good attendance and the opinion seemed to be that the town had better wait and see if Bull Run water could not be obtained when the new pipe line is laid.

The Ladies Aid Society of the M. E. church is planning to hold, on December 15th, a Christmas sale. Articles, both fancy and useful, will be received and disposed of and a general social time is planned on that day.

## MOUNT SCOTT

Lents is growing in all directions. More stores; more and better homes, and better streets.

The Rebekahs held their regular meeting on Friday evening and as a result added six more members to their list. The Columbia team came out to put on the initiatory work and at its close coffee and cake were served.

The ball and supper at the Grange hall on Saturday evening was a great success. The receipts run to \$170 and the hall association can easily clear \$100. Over twenty prizes were given and some of the make-ups were especially worthy of notice. Warren Kinder took first prize as "Indian Chief," and Mrs. Kinder second as "squaw;" Mrs. Tiff as "dutch woman;" Virlie Anderson as "nurse;" Clarence Baker as "Puss in Boots;" Geo. Dille as "Mephistopheles;" Will Boland and Claud Lent as "cow boys;" Margaret Lamear, Mrs. Augustine and Mrs. Smock as "darkies;" Roy Lamear as "farmer;" Joe Bush as "Uncle Sam;" Mr. Grant as a "dutch clown;" Fred Love as a "clown;" Geo. Spring and Miss Edna Brown won prizes for the best waltz, and Miss Hall for best looking girl, and Mrs. Heilbrun for the best cake-walk.

Mrs. Heilbrun and mother of Washington, D. C., will spend the winter with Mrs. Otto Katzy.

Ray Fairbanks came home from Corvallis on Thursday for vacation.

The Portland Glee Club, male quartette, will assist in a program at the Grange hall about the 10th of December.

Philo Zimmerman and wife of Oswego spent Thanksgiving with his mother in Lents.

The protracted meetings at the Evangelical church are still continuing with much interest.

Wm. Anderson is preparing a large map of the Mt. Scott district east of Grays road.

Johnson creek has been full again. Beginning early this year it will probably spend a bad winter of it. All this might have been avoided by the combined efforts of the property owners of the district effected by these rampages. But they could not get together on anything. Rather than forfeit a little individual interests and plans they would prefer to see the entire portion of the country effected rendered almost valueless.

Good Cough Medicine for Children and Grown Folks, Too.

"We could hardly do without Chamberlain's Cough Remedy," says Mrs. Flora Despain, of Boyd, Ky. "I found it to be so good for the croup and have used it for years. I can heartily recommend it for coughs, cold and croup in children and grown folks, too." The above shows the implicit confidence that many mothers place in Chamberlain's Cough Remedy, a confidence based on many years' experience in the use of it. No one need hesitate to use this remedy for it contains no chloroform, opium or other narcotics and may be given to a child as confidently as to an adult. For sale by Gresham Drug Co.

### What Would You Do?

In case of a burn or scald what would you do to relieve the pain? Such injuries are liable to occur in any family and everyone should be prepared for them. Chamberlain's Salve applied on a soft cloth will relieve the pain almost instantly, and unless the injury is a very severe one, will cause the parts to heal without leaving a scar.
