Cured of a Severe Attack of Bronchitis by Chamberlain's Cough Remedy.

"On October 18th, last, my little three year old daughter contracted a severe cold which resulted in a bad case of bronchitis," says Mrs. W. G. Gibson of Lexington, Ky. "She lost the power of speech completely and was a very sick child. Fortunately we had a bottle of Chamberlain's Cough Remedy in the house and gave it to her according to printed directions. On the second day she was a great deal better and on the fifth day, Oct. 23, she was entirely well of her cold and bronchitis, which I attribute to this splendid medicine. I recommend Chamberlain's Cough Remedy unreservedly as I have found it the surest, safest and quickest cure for colds, both for children and adults, of any I have ever used." For sale by Gresham Drug Co.

Never before has such clubbing combinations been offered as The Herald is offering. How is this: The Herald for one year, Farm Journal five years and Horse Secrets for \$1.50.
