### Cured of a Severe Attack of Bronchitis by Chamberlain's Cough Remedy.

"On October 18th, last, my little three year old daughter contracted a severe cold which resulted in a bad case of bronchitis," says Mrs. W. G. Gibson of Lexington, Ky. "She lost the power of speech completely and was a very sick child. Fortunately we had a bottle of Chamberlain's Cough Remedy in the house and gave it to her according to printed directions. On the second day she was a great deal better and on the fifth day, Oct. 25, she was entirely well of her cold and bronchitis, which I attribute to this splendid medicine. I recommend Chamberlain's Cough Remedy unreservedly as I have found it the safest, easiest and quickest cure for colds, both for children and adults, of any I have ever used." ## FAIRVIEW

Fairview, Feb. 16.—Dr. and Mrs. S. D. Briggs are greatly grieved over the loss of their little daughter who died here last Monday, and they have the sympathy of the many friends. The child's illness was of an unusual nature. Several physicians were called in consultation and came to the decision that it was an extraordinary case of brain fever. Florence was taken ill while the family was visiting in Washington, and was quite ill for several days before she was brought home, soon after which the child sank into a deep sleep from which she could not be awakened and in about ten days she passed away. The little girl was 6 years old. Funeral services were held Tuesday at 11 o'clock at the Portland crematory and the remains were cremated.

Miss Lylr Eldridge was given a very pleasant surprise last Friday evening in honor of her birthday. About twenty friends gathered at the home in response to an invitation from Mrs. Eldridge. ### MONTAVILLA

The Merry-go-rounds club gave a dime social at the home of Saylor Smith Saturday evening. A very pleasing literary and musical program was carried out. Miss Clara Smith and Ruth Niblin rendered a piano duet. Mrs. Wendle, Jas. Kelly and little Helen Smith, each favored the company with a vocal solo. Mrs. Elliott read a paper about Lincoln, bringing out some interesting points. Charades and games made the time pass quickly. A light luncheon of cake, fruit and coffee was served and the guests were each presented with a valentine as a souvenir of the occasion. The Merry-go-rounds club was organized in 1928 for the purpose of raising money for an Eastern Star Grange building fund. \$125 has so far been raised.

Frank Holmes, one of the carpenters working on Jas. Kelly's barn, met with a painful accident Monday. He was putting on siding, when one of his fellow workmen let a board slip, striking Mr. Holmes on the head, cutting a deep gash. Mr. Kelly bound up the injured man's head to stop the flow of blood and took him to Dr. McSloy at Lents, where the wound was attended to and afterwards the patient was taken to his home.

Came Near Choking to Death.

A little boy, the son of Chris. D. Peterson, a well known resident of the village of Jacksonville, Iowa, had a sudden and violent attack of croup. Much thick stringy phlegm came up after giving Chamberlain's Cough Remedy. Mr. Peterson says: "I think he would have choked to death had we not given him this remedy." For sale by Gresham Drug Co.

### A Sprained Ankle.

As a rule a man will feel well satisfied if he can hobble around on crutches in two or three weeks after spraining his ankle, and it is often two or three months before he is fully recovered. This is an unnecessary loss of time as by applying Chamberlain's Liniment as directed, a cure may as a rule be effected in less than one week's time and in many cases within three days. Sold by Gresham Drug Co.
