CAUCUS IS HELD

CITIZEN'S NOMINATE A CITY TICKET

SLATE PRACTICALLY THE SAME

Max Schneider and Emil G. Kardell the Two New Aldermen--37 Voters at The Caucus

Pursuant to a call by Mayor Shattuck a caucus was held Tuesday evening at the town hall for the purpose of placing in nomination, for the coming city election, candidates for the various city offices and three councilmen.

About 40 voters assembled and after the short delay usually attached with such matters, Recorder M. D. Roberts called the meeting to order and work of time was readily disposed of. Alder A. May was appointed chairman and D. M. Roberts secretary. Walter Birch and Wm. Dahlquist were appointed tellers.

The first business to come before the caucus was the nomination of mayor. O. Thomas took the floor and brought up the name of Lewis Shattuck, the present incumbent, and in a few brief remarks clearly defined his reasons for deeming Mr. Shattuck the man for the office of mayor, and chief among others was that he is thoroughly conversant with several points of business which are of vital importance to the city and every citizen in it. In the informal ballot Mr. Shattuck received a large majority of the 37 votes cast, and on motion the rules were suspended and by a united "Aye" Mr. Shattuck was unanimously declared the candidate.

The next was recorder and D. M. Roberts the present incumbent was chosen after one ballot.

Treasurer John Metzger was re-nominated by a large majority.

City Marshal Gullickson was chosen for re-nomination, making the ticket the same as at present.

The remaining business before the caucus was nominating three aldermen to fill the vacancies caused by the retiring of Alderman Michel, St. Clair and Thomas, whose terms of office will expire the first Tuesday in January.

The informal ballot was scattering, and a second ballot was taken, which resulted in H. L. St. Clair, Emil G. Kardell and Max Schneider receiving a majority of the votes cast. They were declared the nominees which makes the citizens ticket to be voted on December 6, as follows:

For Mayor—LEWIS J. SHATTUCK
For City Recorder—D. M. ROBERTS
For City Treasurer—JOHN H. METZGER
For City Marshal—HENRY GULLICKSON
For Aldermen—H. L. ST. CLAIR, EMIL G. KARDELL, MAX SCHNEIDER.

WEDDING BELLS IN GRESHAM

The marriage of Miss Ethel Bradford and Robert Landislowne occurred in Gresham last Saturday at 8 p. m. in the presence of about 40 guests, the service being read by Rev. N. B. Parsonagian of Brownsville. The future home of the couple, on Powell street, had been furnished and decorated for the occasion and presented a homelike appearance.

The young couple were given the hearty congratulations of all present.

Number 1 was the first locomotive on the new Mt. Hood road. It was first put on the track at the O. W. P. Troutdale crossing and used for a month in the winter of two years ago. When the capital of the proposed road failed to materialize the engine was put in a shed and has been there receiving a nice coat of rust. As soon as work began under the new management it was brought out and set to handling dirt cars. It is doing regular duty every day and will be observed with pleasure by all interested in the road.

Light refreshments were served. Many handsome and useful presents were received.

Mrs. Landislowne is the youngest daughter of Mrs. S. R. Bradford and a sister of Mrs. Ed. Ruster. She is principal of the Powell valley school and president of the Gresham Epworth League. The bride's mother was present, having recently returned from Kansas. Mr. Landislowne has made his home here for the past three years. Mr. and Mrs. Landislowne enjoy the acquaintance of a large circle of young people and have the hearty good wishes of all.

AMERICA'S GREAT APPLE SHOW

Oregon Apples Awarded First Prize as a Competitor With Fruits From all Parts of the Country

MAYBE there are some kinds of fruit that Europe can raise a little better than we do, but when it comes to apples—well, the whole world has to take its hat off to us right there. If you have any doubt of it, however, just attend one of our national apple shows, where such marvelous specimens of the "king of fruits" are exhibited. There you will find apples to the right of you, apples to the left of you, in countless numbers and coming from almost every district in the land.

The origin of the national apple show has an interesting if brief history. Early in the winter of 1907 David Brown of Spokane, Wash., and a few acquaintances discussed a plan to determine the district in the United States growing the largest perfect apple. This idea was taken up by the Spokane County Horticultural society at its meeting April 4, 1908, when it was proposed to have an apple show the following fall. The Washington State Horticultural association and the Spokane chamber of commerce heartily endorsed the project.

Changes followed rapidly as the plan was worked out, and from a county show it passed to an inland empire exhibit, and finally, by unanimous agreement of the various interests, it was decided to have an exposition of national scope and character. Organ-

ization of the national apple show, incorporated, followed, with a stated capitalization of \$100,000.

The national apple show this year, which, as usual, will be held in Spokane on Nov. 14 to 19, is attracting attention all over the country and promises to have more exhibits than ever before. Professor H. E. Van Deman of Washington is chief judge of the show, and his assistants are J. W. Murphy of Glenwood, Ia.; C. J. Sinsel of Boise, Ida.; Professor S. A. Beach of Ames, Ia., and J. Gibb of Kelowna, B. C. Professor Van Deman, who is considered one of the foremost authorities on fruits in the country, has been in exposition work since 1884, when he was a judge at the Cotton Centennial exposition in New Orleans. He has also acted in that capacity at many other expositions.

At the national apple show last year H. B. Tronson of Eagle Point, Ore., won the sweepstakes of \$1,000, which carried with it the title of quality apple king of America, with a car of Spitznagels. He also won first prize \$250 in his class. There were 1,000 entries, ranging from thirteen full barrels of 70,000 apples each to a single plate of five apples, and twenty-three states and two provinces in Canada were represented. The second prize of the sweepstakes was won by W. W. Sawyer of Sunnyside, Wash., with a car of Grimes Golden, which was also first in his class. Michael Horan of Wanatchee, Wash., who carried off the premier honors in 1908, won a five acre orchard tract, valued at \$1,000, with a display of ten boxes of apples.

SOME APPLES—AND A "PEACH."

Death of C. W. Peckens

C. W. Peckens was born at Bridgeport, Pa., in 1847 and died at his home on the Base Line road, three miles from Gresham, November 12, 1910. In 1867 he was united in marriage to Myra Stone at Forest Lake, Pa. To this union was born two boys and one girl. A wife and one son who resides in Portland, still survives him.

It was only eight months ago Mr. and Mrs. Peckens left New York for Oregon to seek a milder climate to relieve his health, but the disease had gained such headway that the change in climate failed to benefit him. Mr. Peckens united with the Baptist church in youth and remained faithful to the last. He was a member of the Masonic lodge. The funeral services were conducted at the house by Rev. G. F. Dunlop, pastor of the Methodist church at Gresham. The Fraternal order of Masons conducted the funeral service at the grave at Montavilla.

Baseball Dance

The Gresham Giants, who made such a splendid record on the diamond the past season, will give a social dance in Metzger's hall, Thanksgiving night, Thursday, November 24. They have arranged for the best of music and floor management and invite everybody to come. Come and join in this Thanksgiving dance.

A short program and basket social is to be given in the Moscahee hall, Saturday night, November 19, 1910, by the children of Blackwood school Dist. No. 27. Admission free.

For pains in the side or chest dampen a piece of flannel with Chamberlain's Liniment and bind it on over the seat of pain. There is nothing better. For sale by Gresham Drug Co.

SCHOOL MEETING AT SANDY

The residents of Sandy were somewhat surprised Monday morning when notices calling for a special school meeting were posted, to decide the length of term, six or nine months.

The words of the county superintendent's address given last May before the parents and friends of the school, should be remembered. "If all our children should die during the night, how would we feel? Better far that they should die than grow up in ignorance."

Then come forward all of ye interested parents and friends of the Sandy school children, and defeat a measure which is a disgrace to the town. Defeat a few grumbling tax payers who are too miserly to do their parts cheerfully.

The board of directors also need your opinion. It will give them confidence and assure them that you are carrying out their will.

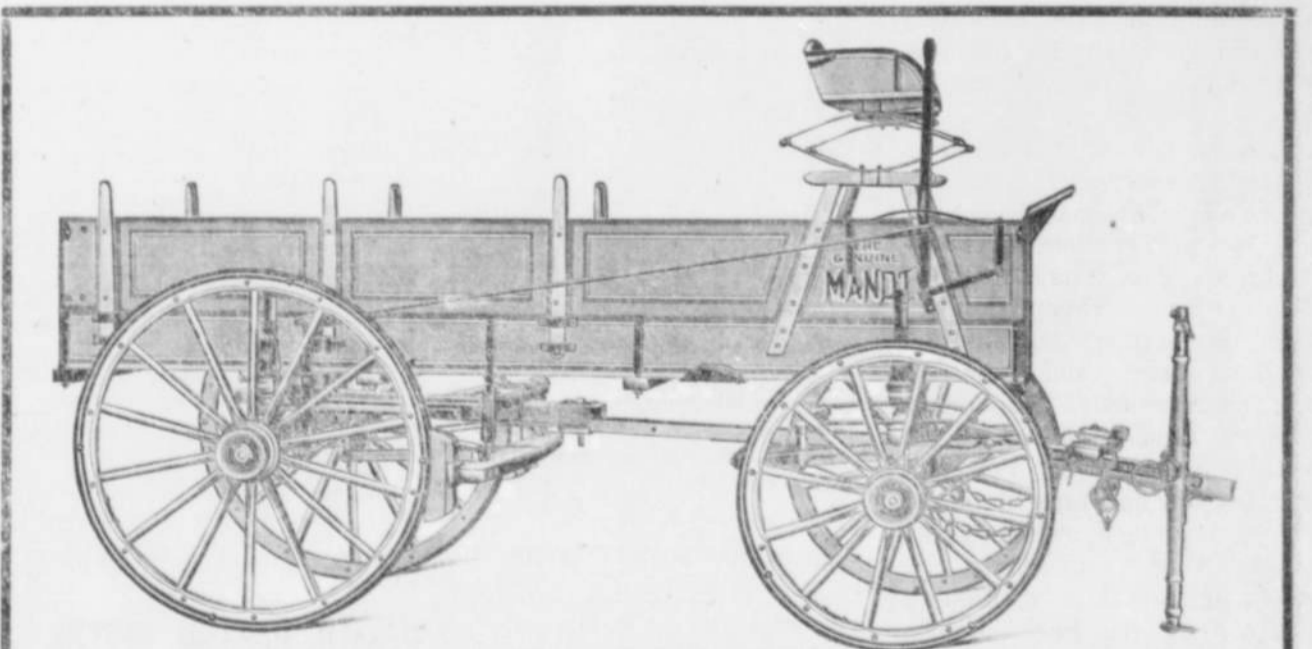

The building is a credit to the town, but why was it erected? To be for one-half of the year a silent sentinel imposed upon an unsuspecting public.

Let the commercial club here show its colors and work to aid the institution that is the foundation of progress to its town. SUBSCRIBER.

Cream Surprise Cake

Break two eggs in a teacup, fill cup with rich cream (or use 1/2 cup of butters), 1/2 cupful milk, one cupful sugar, 1/2 to 2 cupfuls flour, a little salt, one heaping teaspoonful baking powder, flavor with lemon or vanilla, and the size and beauty of the cake will be a surprise.
