

## GRESHAM AND VICINITY

RESUME OF THE WEEK'S DOINGS IN AND AROUND THE CITY

A newspaper's circulation comes only after years of effort. A mushroom circulation never appeals to the wisdom of the JUDICIOUS ADVERTISER. This paper is never sold by peddlers or given away in railway camps, but meets every existing demand of the THOUGHTFUL ADVERTISER.

Frank Westell is quite ill. Grandma Linneman is slowly recovering.

J. N. Faris is serving on the grand jury.

Miss Minnie Lawrence went to the city Thursday.

Vern Chalker was out seeing old friends Thursday.

Wilbur Thompson, who has been very ill is recovering.

Mr. Cone has a crew of men raising a barn for J. H. Hoss.

Mrs. Stockdale of Portland, was out to see her parents this week.

O. W. Tarr of Portland, made a business trip to Gresham Thursday.

W. W. Wood and Agnes Burgess were married in Portland this week.

Mrs. Vogel is again at her place of business on Powell street and will be glad to see her friends.

Miss Birdline Merrill entertained last Saturday evening in honor of Miss Agnes Pateneau.

Mr. and Mrs. John Weatherly of Newberg, visited friends and relatives in Gresham last week.

Rev. C. M. Damon will preach at the Free Methodist church next Sunday at 11 a. m., and 7:30 p. m.

Clarence Stanley and sister, Myrtle, spent Sunday last in Woodlawn at the home of the Elwood sisters.

Miss Mary Dunlap spent a part of her vacation visiting her grandparents, Mr. and Mrs. Goodrich near Troutdale.

Alec Wilkinson, who has been in the vicinity of Eugene this winter is again home. He reports a hard winter up there.

Mr. John Krantz and Miss Telka Landin of Powell Valley, were united in marriage at Victoria, B. C., March 24th.

Ground is being cleared at the corner of Powell street and Maple avenue, where A. Thompson will erect a business block.

There is some talk that Mr. Fugh, of Thompson & Fugh, will dispose of his interests here to locate in some other part of Oregon.

Miss Christine Burkholder who has been very ill at Mrs. Wilkon's was able to go home with her sister, Mrs. Cusick last Wednesday.

Mrs. A. Wilson of Elmira, Oregon, visited her parents, Mr. and Mrs. W. T. Hartley and her sister, Mrs. S. S. Thompson this week.

Mr. Hastings and family moved, from the rooms they occupied at S. A. Knighton's, to Dr. Darling's farm which they will have charge of.

Mr. and Mrs. J. E. Miller entertained Mrs. S. E. Topelman and mother, Mrs. D. W. Metzger, Wednesday of last week, at their home in Portland.

Gresham Lodge, Odd Fellows, will give a supper tomorrow evening to its members and consider the question of changing date of meeting to some other evening.

Charles Leslie Hevel, infant son of Mr. and Mrs. Alva Hevel died last Saturday. The funeral services were Sunday afternoon at the house. Rev. Dunlap conducted the services.

The girls basket ball team were defeated at The Dalles last Friday night. The score was 15 to 9 in favor of The Dalles. Our girls reported a fine time. Mrs. E. E. Sleret was champion.

The contractors on the Dowsett & Pateneau building are selling the excavated dirt to owners of lots that require filling. The price is 10 cents per yard delivered three blocks and 15 cents for five blocks away. The dirt is all sold.

Mr. McLain of Macleay, Oregon, is here visiting his daughter, Mrs. P. Michel and Mrs. J. W. Lawrence. He is having his property fixed up and will move here in the near future. Mr. and Mrs. McLain are well known and their friends will be glad to see them.

It is with regret that we learn that D. W. Metzger will retire from business April 1st. Mr. Metzger enjoys the confidence and esteem of a large trade. Mr. Metzger has been in business here for fifteen years. He will be succeeded by his nephews Bert and Will Metzger who are well and favorably known.

Dr. C. W. Lowe, one of Oregon's most prominent Opticians and Optometrists will be in Gresham at the jewelry store of Mr. Fieldhouse Wednesday April 12. Dr. Lowe will make regular visits here in the future. He has had more than 19 years experience as an exclusive Sight Specialist, and those in need of glasses can do no better than to consult him. See next issue for further announcements.

The new directory of the local telephone company was distributed this week to all subscribers. It contains 462 names besides making free connections with Corbett and Damacus with long distance privileges to all other points over the Pacific lines. The system now comprises 56 circuits, with over 500 miles of wire. The plant is the best of any in the northwest and is being kept up to a high state of efficiency. More improvements are in contemplation, among them a new switchboard and cables along the main trunk lines leading out of town.

The O. W. & N. Co., construction camp which has been located at F. H. Crane's engaged in building the new freight road, has been abandoned. It was the largest and most important camp along the line and was maintained longer than such camps usually are. The outfit was taken to Fairview, whence it will go to Eastern Oregon in a few weeks to be re-established where the requirements of railroad building require it. The outfit contains a repair plant on a small scale and is an important necessity in the work.

It is announced that Arleta will have free city delivery of mail in a few weeks with three carriers. The change will practically do away with Lents rural route, No. 1, and it is said the carrier, Fred Spooner, will be one of the city carriers. The new service is looked upon by many as just the beginning of other changes which were predicted in the Herald a few weeks ago.

The Smith Land Company, which has bought the J. S. Simmons place east of Powell Valley, will have the tract platted and will sell it out in small farms. Mr. Smith is endeavoring to get a new county road opened across the place, connecting the Lusted and Pipe line roads. He and A. C. Whilom will donate a strip 40 feet wide for the road.

Camp No. 3 at the top of the Lusted hill was discontinued yesterday and the power plant used in riveting was moved to the Kane place yesterday from where work will be resumed on the stretch between Beaver Creek and Gresham. The trench has been opened as far west as the Kane road and is coming toward town at a rapid pace.

Testing of the new Bull Run pipe line at Lusted was begun again yesterday. The test is being made in two sections this time so as to avoid a repetition of the disaster which wrecked 27 joints not long ago. The damaged pipe has all been replaced with new joints and the trench is partially filled.

Mrs. Richard Tegart, who went to Tillamook three weeks ago on account of the sudden death of her sister, Mrs. Lennie Conover, returned home last Sunday. He made the voyage both ways by steamer and escaped seasickness, having had an agreeable trip.

Camp No. 2, Mount Hood railway, at Craswell's was discontinued yesterday. All the work of grading is being contracted north of Pleasant Home and will be finished this week, when the standard track will be laid over the new portion as far as the Sandy river.

W. C. Burck while slashing at Anderson had the misfortune to cut his foot very badly with an axe, but fortunately for him he had been insured by W. E. Wood in the North American Company of Chicago, so his time will not be a total loss.

S. A. Stafford and family left on Wednesday last for Banks, Washington county, where they will remain. They still own their place east of town, and will return only to take care of the hay crop during the coming summer.

Charles Fitzgerald, living on the Sandy road below Fairview, had his left leg broken on Saturday last while pulling stumps. The sweep of a stump puller flew back, striking his leg below the knee. He was taken to a Portland hospital.

There will be services as usual in the M. E. church Sunday morning, and in the evening Dr. Knodell of the anti-saloon league will lecture on temperance and will illustrate his lecture with stereopticon views.

Mrs. Leslie and daughter Mrs. Zeek, made a trip to the Sellwood hospital this week to see Mrs. Leslie's daughter Mrs. Williams, who has undergone a serious operation.

Plans for new decking and other repairs is on the ground ready for use on the Talbot bridge, on the Section Line road. The work will be done next week.

Rev. F. H. Freund has returned from the east and will hold services at the Zion Evangelical church at the usual hour Sunday.

Miss May Wood and children from Oregon City, is spending a few days with her grandmother, Mrs. S. Jones. Jas. Robinson has moved onto his property in Tia Jurad addition.

John W. Sickelsmith, Greensboro, Pa., has three children, and like most children, they frequently take cold. "We have tried several kinds of cough medicine," he says, "but have never found any yet that did them as much good as Chamberlain's Cough Remedy." For sale by all druggists.

When you have rheumatism in your foot or instep apply Chamberlain's Liniment and you will get quick relief. It costs but a quarter. Why suffer? For sale by all druggists.

Hens dread to get into dirty nest boxes. They won't do it if they can help it. Why don't you see to this right off?

Do you know that of all the minor ailments colds are by far the most dangerous? It is not the cold itself that you need to fear, but the serious diseases that it often leads to. Most of these are known as germ diseases. Pneumonia and consumption are among them. Why not take Chamberlain's Cough Remedy and cure your cold while you can. For sale by all druggists.

## THREE REASONS WHY Duluth Woven Wire Fence IS THE BEST

It is made of the best quality hard steel galvanized wire. The knot is simple, strong and effective; has four points of bearing; cannot slip and has no sharp ends, yet is flexible, allowing the fence to conform to uneven ground. The line of horizontal wires are supported by strong, stiff, one piece steel pickets or cross bars, which are held securely in place by the circular knot.
