SIX PERSONS KILLED IN WRECK ON OREGON TRUNK

The Dalles, Or., July 12.-That Engineer Thomas Myles, of the Oregon Trunk south-bound train No. 102, wrecked near The Dalles Monday, will be held responsible by a coroner's jury for the wreck that has claimed the lives of six persons, was given out here tonight. A. S. McCurdy, roadmaster of the Oregon Trunk line, testiffed before the jury at the scene of the wreck yesterday afternoon that he believed the train was running at least John W. Gates, of "Bet you a mil- 50 miles an hour when the accident occurred, and that the engineer had received orders to run not more than A fleet of 12 torpedo oats is enroute 10 miles an hour around the "Shoo from San Francisco to Portland.
