### LENTS GRANGE DRILL

#### TEAM WINS HONORS

The team which has been drilling under the direction of grange master T. J. Kreuder, consisting of sixteen of the lady members, name's, Mesdames Rodgers, Spring, Nelson Maffet, Falen, Heusted, Katzky, N. W. Wiley, E. F. Miller, Ward, Hotchkiss, Miller, Thos. Cawkins, Smith, and Miss Lillian Thomas, is receiving a lot of commendation for their efficient work. It was quite an effort for the team to prepare for the exhibit and they hardly expected to succeed so easily. The first prize for the entry was \$50, and when they attended the fair last Friday they little expected to carry away the prize. The drill was put on in the dancing pavilion which was pretty small for such an undertaking. They then offered to put it on outside, but it was not convenient to provide music. Many very favorable comments were made concerning its good qualities.

### POPULAR YOUNG COUPLE

#### WEDDED MONDAY EVE

G. H. Schermerhorn and Lettie Wellington were married Monday night at the bride's home in School Park. Only immediate friends were present. On Tuesday evening, a large number of friends gave them a picnic surprise and had a fine time. The newly formed family will continue to live in School Park.

Mr. Schermerhorn is employed in the street department in Portland and is well known in Lents.
