COLUMBUS IS IN HOT WATER

Cancels Sheridan Game Last Sunday—Three Scheduled This Sunday.

After winning the state championship by a fluke the Columbus Club baseball team is now having a hard and embarrassing time holding their own.

Instead of being the dictator, as was Gresham when that team laid claim to the rag, they are now harassed, bulldozed and cuffed around as if they were children.

The game Sunday was called off "on the face of the weather." While it was decidedly damp here, Sheridan fans say the weather was ideal there. This they communicated to the manager of the erstwhile champs, and then it was that the old question of money matters came up again. Grayson said he wouldn't go to Sheridan for less than \$80, while he had previously made the bargain for only \$60. This has angered the Valley fans and disgusted local ball enthusiasts.

Then this Sunday there promises to be another rumpus "don't cher know." Red Rupert's team is scheduled to hook up with the club boys as are also the Weonas and Mt. Angel. Some one of these teams will cross bats with them but which? And what about Sheridan? Will they stand to be snubbed and shoved aside or will they rise up again and defy Columbus to take the championship from THEM? Columbus winning the state championship was a surprise and if Columbus retains it, there will be another surprise. No team in the country seems satisfied with the ungracefulness with which Columbus wears the crown and these gents are liable to be taken from their throned at any time. It is a great doubt if they can defend their position from even the Weonas, for this team has defeated for better teams than has Columbus. Mt. Angel too, is liable to make things hot for them if they have won 14 out of 16 games played.

So we say to Columbus: Your path is indeed stony by virtue of your own deeds; your position perilous by envious rivals and your glory belittling when one looks at your past record, as compared with that of the Giants.

IT DOESN'T PAY.

It doesn't pay to be a grouch.
It doesn't pay to wear a frown;
Nobody ever made his pile
By knocking everyone in town.
There are some better reasons why
A man should smile upon his way,
But here is one: Financially
A gloomy visage doesn't pay.
There's money in a cheerful smile,
A fortune in a cheerful word,
And money of ten reaches souls
That finer things will leave unstirred
And so I put it up to you,
Don't moan and whine along your way;
If it is money you desire,
A gloomy visage doesn't pay.
Twere better that you smile, because
You wish to cheer your fellow-man,
And speak the cheerful word, to help
A weaker brother if you can.
But if these reasons don't appeal
To you, I write it down today,
There's money in a happy face;
A gloomy visage doesn't pay.
—Detroit Free Press.

SIMEY'S COLUMN

"Weary lies the head that wears a crown." Echo.—Columbus.

Sheridan fans are justly angry and disgusted at the treatment Columbus accorded them Sunday.

Why should the question of money, other than actual expenses, enter into the question at all?

In bygone days baseball was played for sport and pastime only. Now even amateurs must see "something in it."

The Heavers are facing the hardest time of their lives right now. If the Vernon team should happen to win out it will not be because of inferior playing on their opponents' part.

Pigskin artists of Tremont are forming an eleven says a reader. Go to it fellows, we'll boost you.

If Buddy Rapps the ball would Maxy? For fear you can not identify the above we classify it as a would-be joke.

Maxy—our Maxy you know—says Portland will win that pennant just as sure as—well he says they'll win if Vernon doesn't.

The Northwestern league season is over. In the north it leaves the fans forlorn—here they exclaim, "at last the agony's passed."

Now if Sherwood wallops Columbus how will the laurels be distributed? Gresham beat Sherwood two games. Then, too, Columbus has been beaten once by this same team before.

Bart, the popular leader of the Giants leaves for the Philippine Islands this month. Goodbye Bart and good luck. The best of wishes of the semi-pro fans and players are yours.

TO PROTECT FRUIT GROWERS.

Oregon Agricultural College, Corvallis, Ore., Oct.—Protection of fruit growers from imported pests is the aim of proposed legislation for which Congressman James S. Simmons of the 34th District of New York is now working. He has written Prof C. I. Lewis of the Horticulture division of the Oregon Agricultural College stating that the U. S. Department of Agriculture is very desirous of such legislation and that he would like to have fruit growers and nurserymen of Oregon write to him, through his secretary, Charles A. Gibson of Youngstown, Niagara, N. Y., giving their views on the subject. Representative Willis C. Hawley of Oregon, who is on the same committee on agriculture in the House, will also be glad to have the opinions of nurserymen and fruit growers on this important subject. The bill which Mr. Simmons is preparing to draft will have the same relationship to nursery stocking imports as the present quarantine and animal inspection acts have to live stock importation.

Averts Awful Tragedy.

Timely advice gives Mrs. C. Willoughby, of Marengo, Wis., (R. No. 1) prevented a dreadful tragedy and saved two lives. Doctors had said her frightful cough was a "consumption" cough and could do little to help her. After many remedies failed, her aunt urged her to take Dr. King's New Discovery. "I have been using it for some time," she wrote "and the awful cough has almost gone. It also saved my little boy when taken with a severe bronchial trouble." This matchless medicine has no equal for throat and lung troubles. Price 50c and \$1.00. Trial bottle free. Guaranteed by all druggists.

FOOTBALL IS LOOMING UP

Prospects for Local Team—Inter-Scholastic Teams Are Many.

Local pigskin enthusiasts are endeavoring to get together enough material to form a local eleven for the season.

There are many former players here and enough material to pick a strong team from. At this writing it can not be determined when the first meeting will be held.

The outlook in Portland and other places is brighter this year than ever before. Many good games are scheduled.

The inter-scholastic games Saturday were all well attended and some good material was presented by the various teams.

Jefferson went four 10-minute quarters with the Vancouver Deaf Mutes to a 0-0 score at Vancouver, and Hill Military Academy did a similar goose-egg turn with the academy alumni. This latter game was played on Multnomah Field.

Silent signals and a bagful of tricks constituted the Vancouver Deaf Mute package of Shrapnel in the Vancouver tangle with Jefferson, but even the second grade aggregation sent across the Columbia by Coach Smith had no trouble in unfathoming the oed style of play.

The Portland High School lads, on the other hand, contented themselves with trying out a new system of attack, and the mutes had a close shave in the first quarter. After that neither side endangered the goal line to any extent.

The work of Ashworth Jefferson's new center, was the one, redeeming feature of the afternoon, the heavy-set youngster wading in like a steam truck on a rampage. Halfback Williams' punting was good.

Greenwald occupied the entire calcium areaway for the mutes, his tackling being hard and as sure as the grip of a fighting bulldog.

Murphy and Gleason were the ground gainers for the Hill men against the alumni, although Lupton, Coovert and Shearer also played excellent games. Shearer did especially good work in getting down on punts.

On the Hill side Holden, Jackson and Gorman were the most noticeably active and offensive men. Stiles' punting also furnished an additional feature.

The season for the M. A. A. C. will open Oct. 14, when they will line up against the Vancouver, Wash., soldiers. The next game is with Willamette University, October 21. The Oregon Agricultural College team follows on October 28. The soldiers have a return match scheduled for Nov. 4, and November 11 the "Winged M." team will play the sailors of the cruiser Philadelphia. This probably will be the last game for the club team until they meet the University of Oregon on Thanksgiving day. No game has been scheduled for the Saturday before Thanksgiving day.

The football event of the season, the one which is expected to draw a tremendous crowd, is the Oregon-Washington game, scheduled for November 18 at a Multnomah field.

This is the first year in the history of the colleges' athletic relations that the game has been set for Portland.

Heretofore the teams have battled at either Eugene or Seattle.

Harry White, manager of the Oregon City football team, is receiving letters from all parts of the Willamette Valley from teams seeking games. It is the intention of the team to play the majority of their games in Oregon City, but they plan a tour later in the season. Combination suits, black jerseys with yellow striped sleeves and black stockings with yellow stripes, will be the uniform of the Oregon City players.

PRESIDENT OF U. OF O. STUDENTS HAS WORKED HIS WAY THROUGH COLLEGE.

University of Oregon, Sept. 26.—The college career of Leon Ray, president of the Associated students of the University of Oregon, and a prominent debater and orator, is a striking example of the success that can be attained in the University of Oregon by students that are dependent entirely on their own resources. When entering college as a freshman, Mr. Ray invested his savings to the extent of \$100 in a lot not far from the campus. The balance of the cost of the lot was \$125. The payment of this sum he made on the beginning of his sophomore and junior years from money he had earned during the preceding summer vacations. The property has doubled in value during the three years that Mr. Ray has owned it and in the meantime has afforded a location for the small seventy dollar bungalow which he built with his own hands during the early fall of his freshman year and in which he has lived since.

Young Ray, during the first year of his experiment, kept an accurate account of his bachelor household expenses and found them to average six dollars and a half per month. By working hard each summer and picking up odd jobs during the winter, Ray has earned his way up to the entrance of his senior year without going into debt. It took all of his last summer's wages, however, to pay the debts which he was forced to make during last winter, and accordingly he will have to do some borrowing during this school year. However, his lot, when sold, will move than offset his indebtedness.

A large number of the most prominent students are working their way through college.

How's This?

We offer One Hundred Dollars Reward for any case of Catarrh that cannot be cured by Hall's Catarrh Cure.

F. J. CHENEY & CO., Toledo, O.
We, the undersigned, have known F. J. Cheney for the last 15 years, and believe him perfectly honorable in all business transactions and financially able to carry out any obligations contracted by him as agent, solicitor, or otherwise, for this firm.

NATIONAL BANK OF COMMERCE, Toledo, O.
Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system. Testimonials sent free. Price 75 cents per bottle. Sold by all Druggists.
Take Hall's Family Pills for constipation.

APPLE SHOW OPENS NOV. 15

Preparation Made for Biggest Show in Annals of Local Society.

The largest annual apple show that has ever been held by the Oregon Horticultural Association was assured when F. W. Power, secretary of the association, completed arrangements yesterday with the contractors on the new Multnomah Hotel, to arrange the displays in that building. Room had been offered in the Yeof building, but the available space was only 100x100 feet and it would have been impossible to arrange in so limited a place the 100-box and 50-box exhibits, which have been provided for in the prize list that has just been completed.

Whole rooms will be available, under the new arrangement, for the disposition of the displays, and Mr. Power believes, on this account, that many more and larger entries will be forthcoming, when it is known through the state that it will be possible to accommodate them all.

"I have just returned this week from a trip through the state and find great interests in the approaching apple show everywhere, especially in the Southern Oregon and Hood River districts," said Mr. Power. "When the show opens November 15, I believe that there will be the biggest display of fruit that has ever been brought together in a show of this kind on the Pacific Coast."

The list of prizes and the rules of entry for the 26th annual Apple Show, follow:

The first two prizes are open to any Commercial Club, fruitgrowers' organization, grower, or any combination of growers in any country or district.

100-box lots, class 100, total cash \$500. Not less than three varieties and not less than 25 boxes of each variety must be shown. These should be in commercial sizes of from 88 to 112. First prize, cash \$250, and gold embossed medal; second prize, cash \$125, and solid silver medal; third prize, cash \$75, and bronze medal; fourth prize, cash \$50.

50-box lots, class 50, total cash \$275. Not less than three varieties and not less than 15 boxes, each variety of commercial sizes from 88 to 112. First prize, cash, \$150, and gold embossed medal; second prize, cash, \$75, and silver medal; third prize, cash, \$30, and bronze medal; fourth prize, \$20.

The person winning the first prize in No. 1 to donate 15 boxes of the apples to the society, and the one taking second prize 5 boxes. The person winning first prize in No. 2 to donate 7 boxes, and the one winning second prize 3 boxes to the society.

Every prize-winner will be given a lithographed diploma showing what prize was won.—Oregonian.

Herald, Hampton's Magazine, and Pearson's, Four Dollars worth of good reading for \$2.60.
