OREGON NEWS NOTES OF GENERAL INTEREST

Events Occurring Throughout
the State During the Past
Week.

Eggs Taken to Hatchery.
Astoria—Deputy Fish Warden Rath-
bun arrived here Wednesday with the
first consignment of Chinook salmon
eggs for the new hatchery on the
Klaskanine River. Sufficient troughs
have now been installed to handle
about 3,000,000 eggs and another con-
signment will be brought down in a
few days. Mr. Rathbun left for Ketch-
ikan, Alaska, to secure several mil-
lion sockeye eggs, which will be pro-
cured from the government hatchery
at that place. Some of these will
probably be brought to the Klaskanine
River plant.

Water Issue to Be Voted.
Klamath Falls—One of the most
important irrigation propositions un-
dertaken under the new Oregon law
concerning such enterprises will be
voted on November 21 by residents
of Yonka, Langell and Lost River
valleys.

It is proposed to issue bonds to
cover the cost of establishing the ir-
rigation supply, and owners of 20,000
acres, which it is hoped to benefit,
are expected to vote favorably. It is
to be known as the Horseshoe Irrigation
district.

WAGON LOADS RESTRICTED

Polk County Court makes Law to
Keep Highways in Good Shape.

Sheridan—The ranchers of Polk
County have adopted a novel way
whereby they mean to save the roads.
The farmers advocated restricting
loads being drawn over the best
roads, which exceed a certain weight,
and the county court was appealed to
for assistance in the matter. As a
result the Polk County court has just
placed legal restrictions on the size
of loads that may be carried over cer-
tain prescribed thoroughfares. Here-
after it will be unlawful in Polk
County to haul over prohibitive roads,
loads in excess of 3500 pounds on
wagons with tires less than four
inches wide, or 4500 pounds on vehi-
cles with tires between four and six
inches wide, the weight of the wagon
being considered as a part of the load.

Decision Is Important.

Eugene—The state supreme court
handed down a decision in the case
of the citizens of Cottage Grove vs.
Lane County, in which it holds that
the county court is not compelled to
levy a tax, the proceeds of which shall
be used exclusively for roads, one-
half the amount to be distributed
among the different road districts of
the county, and that the county may
pay for highway improvements out of
the general fund.

Election Likely to Go by Default.

Hood River—The city election is
destined to go by default this year on
account of the fact that the time has
passed in which the city should give
notice of the primaries as the law
provides must be done in cities with
over 2000 population. It is stated by
lawyers here that any attempt to fix
up something new by way of notice
or publication would be to make con-
ditions worse than if the election is
permitted to go by default.

TAFT COMMITTEE FORMED

State-wide Campaign Plan Approved
by President's Secretary.

Portland—The campaign in Oregon
for the renomination and re-election
of President Taft will be directed by
a general committee of 18 representa-
tive Republicans of Portland. This
group will constitute the parent body
of an organization that will be made
state-wide through the formation of
auxiliary working committees in
every county.

The details of the plan were sub-
mitted by National Committeeman
Williams to the president's secretary,
Mr. Hilles, during the president's visit
last week, who gave them his hearty
endorsement.

No Damages for Bachelors' Club.

Woodburn—Two cases, instituted
last spring by the Bachelors' Club
against the City of Woodburn and
City Marshal Butterfield for damages,
alleged to have been sustained by
reason of a raid on the clubrooms on
April 7, were tried out in the circuit
court at Salem this week, and a ver-
dict was returned by the jury in fa-
vor of the defendants.

Bend Has \$10,000 Fire.

Bend—Starting from the gasoline
torch of a coffee urn, fire wiped out
a half block of business houses on
Bond street and only the absence of
wind saved the city from being
burned. The loss will total \$10,000
with insurance of about \$6000.

FLAG OF REPUBLIC RAISED IN CHINA

Revolutionists Are Now in Con-
trol of Four of Richest
Provinces.

Peking—The Manchu dynasty after
more than 300 years of misrule, ap-
pears to be tottering to its fall. Four
of the richest provinces of the empire
are in the hands of the rebels, three
corps of the imperial army have de-
serted and the flames of revolt have
spread to the gates of the capital,
which may be in the hands of the re-
bels.

The revolution has been hanging
over China for months, and the rising
in the provinces of Szechuen was only
a small part.

The revolutionists are well organ-
ized and have formally proclaimed the
republic.

If plans do not miscarry, the noted
exiled revolutionist, Dr. Sun Yat Sen,
leader of the anti-Manchu party, is to
be elected president. He was the dele-
gate of the revolutionary party to the
United States in 1910, and is believed
during that tour to have made ar-
rangements for financing the move-
ment.

The great cities are at present in
the hands of the rebels. Hankow, Wu
Chang and Han Yang, with an esti-
mated population of more than a mil-
lion and a half, have been captured
and are held by a force of 25,000
troops, the majority of whom were
trained by American and European
officers in the imperial army. Fight-
ing is reported from Nankin, the sec-
ond city of the empire, and is immi-
nent in the great port of Shanghai.

Peking resembles a smoldering
volcano which may explode at any mo-
ment.

EUROPE IS IN PERIL

Situation in Ottoman Empire Fraught
With Danger for Continent.

Constantinople—The situation in
Turkey is fraught with the greatest
peril to the peace of Europe. The
opening of Parliament has shown that
the Young Turks, the war party, is in
complete control. The throne of the
sultan is tottering and a general con-
flagration, which may involve every
Old World power, is threatened.

If the Young Turks persist in their
avowed purpose of driving all Italians
out of Turkey and pursuing the war
to the bitter end, it will be almost
impossible to avoid international com-
plications. Every influence that the
powers can bring to bear is being ex-
erted to avert such a calamity.

SEVEN PERSONS DIE IN RAILROAD WRECK

Omaha—Seven persons were killed
and 29 injured, four of them seriously,
in a collision between Missouri Pacific
passenger train No. 105, north bound,
on route for this city, and a fast
freight train.

The wreck, which occurred at Fort
Crook, ten miles south of here, at 10
o'clock Sunday morning, is believed
to have resulted from a misunder-
standing of orders on the part of the
freight crew.

The dead are: F. W. Petting, Ne-
braska City; O. W. Keeler, brakeman,
Atchison, Kan.; Mrs. Fred W. Row-
ntman, Nebraska City; Wisterian
Rowntman, 6 years old, daughter of
Mrs. Rowntman; A. W. Sprague, St.
Joseph, Mo.; Miss Frances Lillian
Kranka, Washington, Kan., and an
unidentified negro.

Among the seriously injured are:
Fred W. Rowntman, banker, Nebras-
ka City, whose wife and child were
among the killed, and John Scott, the
passenger engineer.

FILL HARLAN'S PLACE TASK

Selection of Successor Will Be Most
Difficult for President.

Washington.—The selection of a
successor for Associate Justice John
M. Harlan, of the Supreme Court of
the United States, who died after 34
years on the bench, will be the hard-
est task of the kind ever presented to
President Taft, according to the gen-
eral opinion here.

Because of the agitation arising
from the issue of the recall of judges,
which has turned the attention of the
people to the judiciary as a general
proposition and the bitter controversy
that followed the trust decisions last
spring, it is believed that the confirma-
tion of the new justice is certain to
cause a contest in the Senate.

Chinese Chief in Chicago.

Chicago—It was definitely estab-
lished that Dr. Sun Yat Sen, who is
favored by the Chinese revolutionists
as president of the republic they hope
to establish, is in Chicago. He arrived
here late Friday night from Kansas
City, Mo.
