## OHIO ELECTS DEMOCRATS

One Feature of Election in State is Defeat of James R. Garfield.

Columbus, O.—The municipal election resulted in the election of Democratic mayors in Cincinnati, Cleveland and Columbus. Brand Whitlock was re-elected in Toledo.

A feature of the elections throughout the state was the large Socialist vote. Ten Ohio cities elected Socialist mayors. A feature of the election of delegates to the constitutional convention was the defeat of James R. Garfield, secretary of the Interior in Roosevelt's cabinet, by a "progressive" pledged to advocate certain reforms. Mr. Garfield refused to pledge himself.

Kentucky is Democratic.

Louisville, Ky.—Kentucky voters returned the state to the Democratic column and elected the entire Democratic state ticket by majorities ranging anywhere from 15,000 to 40,000. A Democratic legislature was also elected, which assures the choice of Representative James as U. S. Senator.

Everett Socialists Strong.

Everett, Wash.—Rev. B. B. Hassell, Republican, formerly pastor of the First Congregational Church, was elected mayor of Everett. The Socialists polled a heavy vote.

Drys Get Town of Woodburn.

Woodburn, Ore.—At the city election here the incumbent administration was endorsed by a strong vote and all officials were re-elected. The city also went dry again by 51 votes.

Springfield Goes "Wet."

Springfield, Ore.—By a vote of 213 to 183 Springfield voted wet at the election held under the home rule amendment.

## 500 ITALIANS ARE KILLED BY TURKS

Constantinople.—Five hundred Italians were slain and the remainder of the Italian force was taken prisoners in a terrific battle with the Ottoman troops, according to dispatches which have been received here.

The official announcement also declares that the Ottoman troops have occupied Derna following the engagement in which the Italians met with their overwhelming defeat.

It has been believed that Derna, Tobruk and Benghazi were securely held by the Italians, who could not be dislodged by the Moslems. But according to the dispatches of the Moslem officers, so fierce was the attack of the Turks and their allies that the Italians were swept off their feet and the route made complete after a short fray. Eighteen guns were taken by the Moslems.

## FOSS IS REELECTED IN MASSACHUSETTS

### Contest Was Close and Early Returns Indicated Defeat of Governor.

Boston.—On the face of the complete returns from 1071 election districts in Massachusetts the Democrats won the state election and kept Massachusetts in the party column by continuing Governor Foss in office for a second term. The returns gave Foss, Democrat, 210,622; Frothingham, Republican, 202,888. Foss' plurality is 7734. Last year the same districts gave Foss, Democrat, 201,324; Draper, Republican, 167,497.

The contest was unexpectedly close and early returns indicated the defeat of Governor Foss. The Bay State Republicans elected the lieutenant-governor. Legislative returns indicate that the Republicans lost one seat in the state senate, but gained 10 places in the house.

### Republicans Get Nebraska.

Omaha, Neb.—The Republican party made almost a clean sweep in Nebraska. The only exception of importance was that of Dan V. Stepiens, Democratic candidate for Congress in the Third District to fill the vacancy caused by the death of the late Congressman Latta (Democrat). Stephens won over James C. Elliott, the Republican nominee by a majority which will probably exceed 2000.

### Maryland is Close.

Baltimore.—Returns from Baltimore city and the counties of Maryland show that Philip Lees Goldsborough, the Republican candidate for governor, has a majority over State Senator A. P. Gorman, Democrat. Republicans claim he will have a majority in the state of over 2000, but Democrats do not concede this.

## NEW YORK REPUBLICAN

### Party Has 24 Majority in Lower House of Legislature.

New York.—From a Democratic majority of 24, the New York State Assembly turned overwhelmingly Republican. Thus the majorities in both houses, which existed during the first half of Governor John A. Dix' administration, will be lacking next year. The present Senate holds over.

In New York City (Manhattan and the Bronx) the Tammany strength was materially reduced, but its candidates for judicial and county officers were elected again by greatly reduced majorities.

In Brooklyn the fusion judicial and county candidates were successful with perhaps one exception.

### Looks Democratic in New Mexico.

Albuquerque, N. M.—Total returns indicate a complete triumph for the Democratic ticket in New Mexico. From the usually strong Republican counties come reports of decreased Republican majorities, and the Democratic counties nearly all report increased majorities.

### Democrats Take Philadelphia.

Philadelphia.—Returns indicate that Rudolph Blankenburg has been elected mayor. It was stated that the office of United States Senator Penrose admitted that Blankenburg had been elected by between 300 and 1000 majority.

### WILSON DEMOCRATS LOSE

Republicans of New Jersey Gain Control of Legislature.

Newark, N. J.—Republicans swept out the Democratic majority in the legislature and now control that body by ten majority. What is of more interest, nationally, at this time, they also administered a blow to the Presidential aspirations of Governor Wilson.

The particular significance of this result is that the opponents of Woodrow Wilson for the Presidential nomination will attach to it a repudiation of the Democracy of the New Jersey Governor and redouble their energies to undermine his present strength as the leading candidate for Democratic National leadership next year.

### Rhode Island is Republican.

Providence, R. I.—Returns at midnight from more than half the state indicate a general Republican victory. Governor Pothier was returned apparently by an increased majority, probably 7000.

### Olympia Socialists Name Woman.

Olympia, Wash.—At the municipal primaries, Dr. W. L. Bridgford was nominated mayor of Olympia on the Republican ticket, winning by a vote of 484 to 636 over J. K. Hawkins. The Socialists at a convention nominated Miss Frances Sylvester, a school teacher, for mayor and Miss Bernice Sapp, a statehouse stenographer, for councilman at large.

## DEVELOPMENT NEWS OF THE NORTHWEST

Portland, Ore., Nov. 7. (Special).—The Tri-County Development League formed at Arlington the past week, comprising Morrow, Sherman and Gilliam counties, started something that promises to be of great permanent benefit to this state when it set on foot a movement for an agricultural expert for each county.

Extension of the work of the Oregon Agricultural College to a greater degree through the state is desired and a resolution was passed favoring the appointment of an agricultural commission in each county, composed of the County Judge and two practical farmers. It is proposed that this board appoint a county agriculturist who shall visit the farmers, study their problems and help them in every possible way, part of the expense is to be borne by the state and the remainder by the counties themselves. A committee, headed by President Dukek of the League, was named to work out the details and frame a suitable bill to be presented to the next Legislature.

The newly formed Tri-County League will meet three times a year and a committee was named to arrange for the time and place of holding the fair showing the products of the three counties.

Tillman Reuter, wizard of the Central Oregon dry-farming country, has won fame for the state by capturing the prize cup for the best exhibit at the state Dry-Farming Congress at Colorado Springs, and in addition, won 11 first prizes, 12 second and 3 third prizes. Other Central Oregon ranchmen helped to win a total of 34 prizes for Oregon. Mr. Reuter has what he considers only an average quarter section of land in the Madras district but he has done wonders. He contends that any farmer of intelligence can do likewise.

An interesting program has been arranged for the annual exhibit of the Oregon Horticultural Society, November 15-17, which will be held in the Yeon, Portland. Discussion of the many phases of fruit growing by experts in their various lines will be big features of the coming meeting, each day having strong attractions. Not only will theory be developed in these talks but the result of scientific practice will be shown in the fine exhibits of apples to be on display.

Winter cannot stop the onward march of the interurban trolleys. The Oregon Electric is pushing its line up the Willamette Valley from Salem to Eugene and construction work will proceed steadily until next Summer, when it is expected to complete the road. This road will open up various sections of the Valley now at a distance from railways and will help in increasing population on farms by bringing about more intensive cultivation and the cutting up of large holdings.
