# XMAS EDITION

OF THE

# BEAVER STATE HERALD

**I**N KEEPING with the policy of The Herald in giving its readers the best that is going we have decided to issue a special handsomely illustrated colored Christmas Edition. The front page itself is a thing of beauty, representative of the Yuletide spirit. Special illustrated articles, local development news, past history of the Mt. Scott district, with cuts of the many new buildings etc., all go out to make it the best, biggest and most interesting edition ever printed devoted to the upbuilding of this great section. Order a half dozen extra copies at once. Send them to your friends in the east. Help boost Lents .. ..
