IT TAKES A PILE OF BAKING

to satisfy our customers. It is wonderful how much of our bread, cake and pies people can eat and still want more. And many of our best customers are women who are first-class bakers themselves. But as long as they can get such excellent things here they wisely avoid the bother of home baking. That's a hint for you.

Every time a Grange is started in a community a real responsibility has been assumed---that it shall fulfill the mission for which it was created. Merely completing the charter list of a new Grange is not the end---it is but the beginning. The responsibility thus assumed---a responsibility for service---never ceases---National Grange Monthly.

At Chanute, Kas., the commission form of government was adopted 808 to 502.
