MT. SCOTT WINS ANOTHER GAME

Defeats Independents in Snappy Game of Soccer—Pennant Sure.

How They Stand.

	W.	L.	P. C.
Mount Scott.....	7	1	.875
North Bank.....	5	2	.714
Independents.....	4	5	.444
O.-W. R. & N.....	0	8	.000

The soccer game between the Independents and Mount Scott yesterday on Columbus field saw the latter gain another lap in the race for the cup. This 3 to 1 defeat for the Independents virtually puts them out of the running, even for second place, while North Bank will have to win all its remaining games in order to end up level with the present leaders.

The ground was fairly good at the commencement of the game, but with rain falling continually the ball soon became sodden, thereby rendering good passing movements difficult to a matter of difficulty. Under the circumstances, control of the ball was really good.

The Independents, playing down the slope, made the first point after a brilliant individual run by Fuller, who showed good form after being out of the ranks for a long time, but the team was handicapped by losing Grier after 15 minutes play, and Mount Scott soon drew level. Five minutes after change of ends the Mountainers took the ball down the field for number two and the game had hardly been restarted before Robson notched their third and final point.

Fuller was the star forward on the losing side, with Torgeson, Tufts and the backs conspicuous in defense. The winners have a well-balanced team.

Referee, Challis; linesmen Brown and Patterson.
