

A NEGRO AS A DEPUTY SHERIFF?

Now what do you think of this? Harry McAllister, candidate for the republican nomination of sheriff, Home Rule Booster, ally of the liquor interests, has even stooped so low as to employ a negro in the interest of his campaign—and has sent him out here to work among us. Think of it.

Yes sire, the other day this individual was at work placarding the town with another bunch of new placards, and even called around at the different stores and urged his candidacy. At one store where we happened to be this individual came in as big as you please and addressed the proprietor in this manner: "Howdy Judge, can I leave one of these cards here, I don't want to take up too much of your time or space, Judge," and out he went strutting around as if he owned the town and flashing his glass ring as vainly as if it were real.

Has the gentleman really felt himself slipping to such an extent that he has to resort to cheap labor now? It certainly does not look very good and the voters will remember this little incident on April 19. If he employs these fellows in his campaign what won't he do if elected Sheriff. Who knows perhaps we would have a dozen or more "culled" deputies. That would be nice eh? Wouldn't the saloon mongers, parasites and the lower element be in their glory then?

TEAM THAT IS REPRESENTING LENTS IN THE GRAMMAR LEAGUE

The above picture taken by the Herald man shows the team that is to represent the town in the Grammar School League. That they will cop the honors in the second division seems almost certain for they are not only good sized lads, but hit the ball hard and are fast on their feet. Then too they have the best all around pitcher in the league and he has won every game he has twirled so far this year. Monday they won 14 to 0 and Wednesday they defeated Arleta 14 to 4.

LENTS TEAM HAS STRONG LINE-UP

Three Good Twirlers Including Webb—Schedule Announced for League.

Manager Johnson of the Lents team of the A. & W. league has practically arrived at a conclusion as to his line-up and glancing over it we readily see just why he insists on saying that the Lents team will be a winner. On the firing line we find the names of Webb, Boland and Clark. Webb we know as the best of his class on the coast and no exception, Boland is a comer himself and Clark, though unknown personally, is said to be one of the best in the league. Of course some of the teams entered in the league are heavier than the local aggregation but what the team lacks in weight they make up in hitting and base running so the chances look good for the boys.

The league is divided in two sections, Lents being in section two. The schedule follows:

April 7—Western Hardware vs. Lents, Holladay Cubs vs. Ramblers, Crescents vs. Brooklyn. April 14—Lents vs. Ramblers, Western Hardware vs. Brooklyn, Holladay Cubs vs. Crescents. April 21—Lents vs. Brooklyn, Western Hardware vs. Holladay Cubs, Ramblers vs. Crescents. April 28—Holladay Cubs vs. Lents, Western Hardware vs. Crescents, Brooklyn vs. Ramblers. May 5—Lents vs. Crescents, Ramblers vs. Western Hardware, Brooklyn vs. Holladay Cubs. May 12—Western Hardware vs. Lents, Holladay Cubs vs. Ramblers, Crescents vs. Brooklyn. May 19—Lents vs. Ramblers, Western Hardware vs. Brooklyn, Holladay Cubs vs. Crescents. May 26—Lents vs. Brooklyn, Western Hardware vs. Holladay Cubs, Ramblers vs. Crescents. June 2—Holladay Cubs vs. Lents, Western Hardware vs. Crescents, Brooklyn vs. Ramblers. June 7—Lents vs. Crescents, Ramblers vs. Western Hardware, Brooklyn vs. Holladay Cubs.

The lineup for the Lents team will be: B. Boland, C. Clark, P. M. Boland, P. Grimm, 1st, Otty, 2nd, E. Webb, 3rd & P., Robertson, S. S., W. Stevens, L. F., Glenn, R. F., Johnson, C. F., Forte, utility.

Saturday evening a grand ball will be given by the team at the Grange Hall and a big time is looked for.

GRACE EVANGELICAL CHURCH.

The theme at the Evangelical Church next Sabbath morning at 11 o'clock will be "Divine Healing" based on James 5: 15, 16. "Is any sick among you call the Elders of the church and let them pray over him anointing him with oil in the name of the Lord. And the prayer of faith shall save the sick."

DATES FOR BIG FAIR CHANGED

October 2 to 5 Set as Permanent Date—Lents Man to Have Big Exhibit.

At a meeting of the Board of Directors of the Multnomah County Fair Association, held Monday, the dates for the fair this year were definitely fixed for October 2 to 5. So far as known these dates will not conflict with those of any other fair or festival to be held this year and it is believed that the agricultural displays will be at their best about that time.

A communication was read from the Multnomah County Court, inviting the board to conference with a view to making an appropriation for use in payment of premiums. The board set next Monday afternoon for the conference and decided to meet the same day at noon with the East Side Business Men's Club for luncheon at the Sargent Hotel.

The annual premium list will go to the printer next week and will be placed in every farmhouse in Eastern Multnomah and Clakamas counties, as soon as it is ready for distribution. Applications for concessions and space for special displays are coming in already and several concessions have been sold at a good figure. A machinery hall and another horse barn are in contemplation, and both will be built if the outlook warrants the expenditure.

M. K. Hedge of the Lents Hardware Co will have perhaps the biggest and best individual exhibit ever arrayed under the roof of the big pavillion. He is planning to use at least 40 feet of floor space and to install an exhibit that will prove not only attractive but an eye-opener.

THIMBLE PARTY FOR BRIDE-TO-BE

Last Friday evening, March 15, Mrs. Geo. L. Carr gave a Thimble Party at her home, 200 7th. Ave., for the purpose of announcing the engagement of her friend Miss Minnie S. Cody to Harry A. Hendrickson of Seattle.

The house was decorated with Oregon grape, daffodils and house plants.

With Mrs. C. C. Barker receiving as the crowd gathered, Mrs. Carr read a paper in which the announcement was made. At the close of the reading the bride-to-be marched from a private room and took her reserved seat in the front room, then the Misses Belle and Gertrude Cook sang sweetly, "Silver Bells," with Mrs. Dycus presiding at the piano.

Mrs. Carr had each of those present make a block of a neck-tie quilt, after which some games were played, and a piano solo by Miss Audrey Fellow, with both vocal and instrumental music suitable for the occasion rendered by Miss Gertrude Cook.

Mrs. M. D. Wells had each one present to write a receipt for a cook-book for the bride-to-be. About ten o'clock refreshments were served with Mrs. Geo. L. Carr and Mrs. C. C. Barker presiding and Mrs. M. D. Wells serving. About eleven o'clock the guests departed leaving with the bride-to-be their best wishes and heartiest congratulations.

Those present were: Mrs. Justin Dycus, Mrs. Chester Hadley, Mrs. M. D. Wells, Mrs. Gertrude Sprong, Misses Belle and Gertrude Cook, Audrey Fellow and Neva Mendenhall, from Sunnyside, and Mrs. C. C. Barker, Mrs. Geo. L. Carr, Mrs. L. L. Keach, Mrs. Sam Bass, Mrs. D. A. Barker, Misses Minnie S. Cody, Lulu Brumwell, Edith Dunbar, Bessie Littlefield, Edna Burns, Louise Dewey and little Misses Goldie and Alice Carr.

POLITICAL WIND IS CHANGING

Straw Ballots of Eastern Papers Indicate Roosevelt is Loosing Ground--Bryan Gaining

Political winds are ever changing and these that prevail at present are no exception to the rule. Developments of the past ten days indicate a decided change in the political sentiment in the East, and in fact throughout the entire country. The most notable of recent developments is the change of sentiment regarding Roosevelt, particularly as indicated by a straw ballot being conducted by Leslie's Weekly. In the early stages of the vote it was heavily in favor of "Teddy," but the votes received since his declaration of entering the race, shows a decided change. The present ratio of the votes being received is two to one in favor of Taft, while six weeks ago the reverse was true. According to Leslie, many Taft votes are accompanied by a letter, giving emphatic expression against a third term idea. The vote as recorded in Leslie's Weekly gives Roosevelt 1,173, Taft 782 and LaFollette 311. Only a few votes separate Clark and Bryan, but Wilson has a good lead over both.

Bryan is rapidly gaining in the vote being conducted by The Kansas City Star, and is second only to Roosevelt. Nearly 200,000 votes have been received by The Star, and the fact that Bryan has rapidly advanced as a favorite, is the recipient of much comment at the hands of that publication. Clark led Bryan by over 1400 votes only a short time ago, but the Nebraskan is now leaving the Missouri ideal in the race. Wilson is 8,000 votes behind Bryan and Clark. Roosevelt still leads in the vote of The Star, but the result in the North Dakota primaries and of various straw ballots, seem to plainly indicate that his popularity is on the wane.

BIRTHDAY SURPRISE FOR MRS. R. A. BROWN

More than forty of the members and friends of the M. E. church gave Mrs. R. A. Brown of Ninth avenue a happy surprise in celebration of her birthday.

An impromptu program was rendered consisting of a Poem, by J. C. McGraw; Duet, sang by Mrs. Dr. Sells and Mrs. W. B. Moore, and songs by the company. A luncheon was served, after which the guests bade the family good-night with many happy remembrances of their helpfulness in good works in the church and Sunday school.

WHY, OH WHY?

F. A. Farnham writes to ask us why a druggist complies with the law so "precisely" in the matter of selling opium without a prescription and at the same time breaks the law in the matter of selling cigarettes to minors. The opium was needed late at night for a woman suffering terribly from the effects of extracted teeth.

Roses Free. See Herald advertisement, in another column.

VOTES COMING IN SLOWLY; LA FOLLETTE, BRYAN LEAD

Votes in The Herald's straw ballot still come in slowly and the count this week leaves the candidates in the same position as occupied last week. In the Republican ranks LaFollette still leads Roosevelt by a 2 to 1 vote. Taft is still second in the race.

The Democratic vote still finds Bryan in the lead. A singular feature is the fact that no votes have been cast for Champ Clark. Harmon is also a minus quantity.

So far, Johnson is the choice of the Republicans for vice president and Chamberlain is the favorite one among the Democrats. The result:

REPUBLICAN FOR PRESIDENT	
La Follette	34
Taft	22
Roosevelt	17
FOR VICE PRESIDENT	
Hiram Johnson	19
Sherman	4
Bourne	6
Fulton	4
Poindexter	4
DEMOCRATIC FOR PRESIDENT	
Bryan	21
Wilson	11
FOR VICE PRESIDENT	
Chamberlain	8
Bryan	1

Miss Hulda Canne of Milwaukee and Leonard Stratton of Lents were united in marriage at the home of the bride, Wednesday March 20th by Rev. W. Boyd Moore, Pastor of the M. E. Church, Lents.
